Triple Heritage Documentary By Ali Muzuri:

Renewing the Promise Julius Fondong ,2022-08-08 In this very riveting and well researched essay Julius Fondong ruminates on the continued relevance of the promises and principles that underpinned the creation of the post colonial Cameroon nation state sixty years after unification in 1961 *Renewing the Promise A Treatise on the Refoundation of the Cameroon Nation* chronicles Cameroon s experiment in statehood an experiment which according to the author sprung out of a desire and a promise to forge a new nation through the fusion of two territories with contrasting historical experiences and colonial legacies Writing from the vantage position of a policy analyst a governance expert and a conflict management practitioner Fondong contends that a combination of policy inconsistencies imperial arrogance institution capture leadership deficiencies and the brazen travesties of the nation s foundational principles and promises has led to violent internal dissent decreased state capacity for public service delivery and a development gridlock So what can be done to re align the nation to its founding promises and save it from possible disintegration Fondong proposes an overarching governance based praxis for the re engineering of the Cameroon nation from the bottom up His proposed remedy is predicated on the principles of decentralized governance the redistribution of power in a manner that addresses the right to self determination of Anglophone Cameroonians enhanced public service delivery and a strategic shift from a transactional to a transformational leadership paradigm *Renewing the Promise* is a thought provoking and captivating political essay written with exhilarating passion and prototypical clarity It can serve as a blueprint for a much needed reform of Cameroon s governance architecture

presented first followed by those from his global family members Also included at the beginning of the book are three chapters that comprise an introductory essay a brief biography of Mazur and an essay on metaphorical linguistic analysis of the tributes that follow The book also has a preface by the coeditors and a forward by Salim Ahmed Salim the former Prime Minister of the United Republic of Tanzania and Secretary General of the Organisation of African Unity OAU now known as the Africa Union Dr Salim who served as the Secretary General of the OAU from 1989 to 2001 was Mazur's friend and contemporary Mazruri once described Salim as Mr Africa and the first real postcolonial Secretary General of the OAU

The Films of Makhmalbaf Eric Egan,2005 This book examines the close and volatile relationship between a highly popular art form the production of culture and the politics of power in society Through a critical analysis the book reveals the social and political context of Iran s national cinema under the Islamic Republic It tracks the emergence of Iranian cinema since the Islamic Revolution as Makhmalbaf one of Iran s most influential filmmakers and a committed artist whose work is provocative and never far from controversy sought to engage the dramatic social and political upheavals that have taken place over the past twenty four years Makhmalbaf s films have always been reflexive meditations on the nature of cinema and art within a society and Makhmalbaf s art as part of that system provides a view of film as an extension of its political environment **Daily Graphic** Elvis D.
