Nuggets of Truth: A Bible Student's Devotional and A Bible Teacher's Resource Handbook Dr. John Mannion, 2020-11-17 Inspirational writing meets Bible commentary Nuggets of Truth stands as a different kind of devotional It is perhaps more in keeping with Oswald Chamber's My Utmost for His Highest in that it is meant to teach more than it is meant to simply inspire Not that each Nugget of Truth does not inspire On the contrary it stands as a very inspirational book even as the Scriptures themselves never fail to inspire Indeed the content of each individual devotional is full of Scripture Each Nugget of Truth is designed to provide the reader with a short Bible study Hence the reader is more of a student than simply a reader The considerable content of each day's study digs deep enough with a pointed focus that the student effectively goes through a mini Bible college program once having gone through the entire year The sub title of Nuggets of Truth A Bible Student's Devotional and A Bible Teacher's Resource Handbook reveals the two fold purpose and use of this book It is meant to be a devotional for Bible students and for Bible teachers In keeping with this second purpose the devotional is exhaustively indexed With its indexes Nuggets of Truth can be used by Bible teachers as a resource for their teaching ministries 80 pages of downloadable indices provided with purchase

The Truth About Stories Thomas King,2003-11-01 Winner of the 2003 Trillium Book Award Stories are wondrous things award winning author and scholar Thomas King declares in his 2003 CBC Massey Lectures And they are dangerous Beginning with a traditional Native oral story King weaves his way through literature and history religion and politics popular culture and social protest gracefully elucidating North America s relationship with its Native peoples Native culture has deep ties to storytelling and yet no other North American culture has been the subject of more erroneous stories The Indian of fact as King says bears little resemblance to the literary Indian the dying Indian the construct so powerfully and often destructively projected by White North America With keen perception and wit King illustrates that stories are the key to and only hope for human understanding He compels us to listen well *The Unarmed Truth* John Dodson,2013-12-03 A hard hitting inside account of the Fast and Furious scandal the government sponsored program intended to win the drug war by providing and tracking gun sales across the border to Mexico from whistle blower and ATF agent John Dodson After the terror attacks of September 11 2001 John Dodson pulled bodies out of the wreckage at the Pentagon In 2007 following the shooting massacre at Virginia Tech John Dodson walked through the classrooms heartbroken to cover up the bodies of the victims Then came Arizona The American border Ten days before Christmas 2010 ATF agent John Dodson awoke to the news he had dreaded every day as a member of the elite team called the Group VII Strike Force a U S border patrol agent named Brian Terry had been shot dead by bandits armed with guns that had been supplied to them by ATF Was this an inevitable consequence of the Obama administration s Project Gunrunner set in place one year earlier ostensibly to track Mexican drug cartels Brian Terry s murder would not only change John Dodson s life forever it would reveal a scandal so unthinkable

unpatriotic that it forced President Barack Obama to claim executive privilege and caused Attorney General Eric Holder to be held in contempt of Congress Federal Agent John Dodson an ex military man took an oath to defend the world s greatest country and proudly considered himself a walking patriotic example of the American Dream Brian Terry ex military like Dodson was only forty years old a family man who served his country by working for the government Dodson was terrified when the next phone call came one with the potential to destroy his career his family and his life CBS investigative journalist Sharyl Attkisson asked Dodson to go public with what he knew about Fast and Furious To Agent Dodson this meant blowing the whistle But to the family of Agent Terry it was a chance to save lives and right a wrong As he took a fight from the border towns of Arizona to a showdown in the halls of Congress John Dodson clung to the hope that truth would prevail that he would be redeemed and that Brian Terry s death would not be in vain Like whistle blowers before him John would not be welcome back on the job But he found strength in his conscience in the support of the American public and in Senators Darryl Issa and Chuck Grassley When his first amendment rights to publicly tell his story were threatened the ACLU took up his case For her report revealing John Dodson as the key whistle blower in Fast and Furious Sharyl Attkisson received an Emmy Award for Outstanding Investigative Journalism Ultimately John Dodson was cleared by the Inspector General s office publicly heralded as a hero and returned to Arizona Perhaps a lesson gleaned from John Dodson s powerful account is well stated by former Speaker of the House of Representatives Sam Rayburn If you always tell the truth you don t have to remember what you said *The Truth* Naomi Joy,2019-09-05 Perfect wife Perfect life Perfect crime Anthony is not the man everyone believes him to be And Emelia is not the woman he wants her to be Theirs was a whirlwind romance Anthony was the doting boyfriend the charismatic and successful career man who swept her off her feet But now Emelia is trapped in a marriage of dark secrets and obsession She is no more than something Anthony wants to fix one of his pet projects Emelia has no escape from the life that Anthony insists on controlling so she shares her story through the only means she can her blog Yet Anthony can never find out Forced to hide behind a false name Emelia knows the only way that Anthony will allow her to leave him is death Trapped with a man she knows is trying to kill her Emelia is determined that someone will hear her story and Anthony will meet his ends That everyone will discover the truth Perfect for fans of My Lovely Wife Liane Moriarty and The Mother in Law
