Where the Book speaks; or, Mission studies in the Bible Archibald McLean,1907 *The Final Triumph of God* James P. Ware,2025-02-06 A groundbreaking exposition of the resurrection hope in 1 Corinthians 15 Making a compelling case based on new evidence and fresh exposition James Ware affirms the church s historic reading of 1 Corinthians 15 He shows that the apostolic formula in 1 Corinthians 15 1 11 proclaims in continuity with the Gospels the resurrection of Jesus s crucified body from the tomb and that the hope of the resurrection described in 1 Corinthians 15 12 58 involves the miraculous revivification of our present bodies of flesh and bones and their transformation to imperishability Ware s monumental study is unmatched for its comprehensive examination of the historical setting literary structure syntax and vocabulary of 1 Corinthians 15 This in depth verse by verse commentary provides new insights into the text original solutions to hitherto seemingly irresolvable difficulties and a convincing reading of the chapter unfolding its rich theology of the resurrection as the consummation of union with Christ

The Triumph of Grace Daniel I. Block,2017-11-06 The Apostle Paul s negative statements about the law have deafened the ears of many to the grace that Moses proclaims in Deuteronomy Most Christians have a dim view of this book which they consider to be primarily a book of laws However when we read or hear it read orally without prejudice we discover that rather than casting Moses as a legislator he appears as Israel s first pastor whose congregation has gathered before him to hear him preach his final sermons Accordingly Deuteronomy represents prophetic preaching at its finest as Moses seeks to inspire the people of God to a life of faith and godliness in response to God s repeated demonstrations of grace Deuteronomy is a dead book for many because we have not recognized this gospel we have heard only law The essays in this collection arise from a larger project driven by a passion to recover for Christians the life giving message of the Hebrew Scriptures in general and to open their ears to God s amazing grace in Deuteronomy in particular The wide ranging meditations in this volume do not all focus equally on the topic of God s grace but this theme undergirds them all

This Present Triumph Richard M. Cozart,2013-09-17 The author of Ephesians shows an interest in the Isaianic new exodus INE in facilitating his focus on the present triumph of the people of God The recipients required both insight and confidence especially in regard to the certainty

of their salvation its mysterious nature Jewish Gentile relations and their former manner of life In the face of these challenges the author maintains that victory is secured through God s choice of them and the working of his redemptive program which inevitably leads to triumphal blessings As with the exodus era Hebrews the readers participate in paschal redemption now embodied in Christ along with his resurrection and ascension as the triumphant new exodus warrior over principalities and powers In addition and as predicted by OT writers Gentile proselytes share the blessings of the new exodus but now on equal footing and access as Jewish Christians creating a new eschatological temple Triumphant Christ distributes gifts facilitates Spirit endowed living and enables Christian warfare that mirrors Yahweh and his servant The recipients of the epistle appear to be called to view INE triumph as above below now and not yet while not discarding current applications on earth
