Twelve Unlikely Heroes John F. MacArthur, 2014-08-19 John MacArthur reveals how God worked through ordinary people in some unexpected ways Far from the children's tales depicted in picture books and nursery rhymes the men and women highlighted in the Bible were unnervingly real They faltered They struggled And at times they fell short Yet God worked through them in surprising and incredible ways to accomplish His purposes Scripture does not hide their weaknesses caricature their strengths or spin their stories as a display of human nobility Instead it describes these heroes of the faith with unflinching honesty and delivers an unexpected ending God is not ashamed to be called their God Hebrews 11:16 In *Twelve Unlikely Heroes* pastor and best selling author John MacArthur uses his deep knowledge of the Bible and history to take us back to see these three dimensional men and women in their own times and cultures In doing so it becomes clear how their dramatic stories apply to us today People who might at first seem foreign quickly become familiar and unforgettable particularly as they reveal the true Hero behind every witness the power counterbalancing every weakness the Author and Finisher of our faith Hebrews 12:1

1 Kings 1 to 11, Proverbs, and Ecclesiastes John F. MacArthur, 2016-03-29 Solomon is known as the wisest man who ever lived His writings in the Old Testament range from practical pithy proverbs to beautiful romantic poetry and all are filled with his knowledge and insights Yet behind those writings stood a flawed man who was conflicted between deep wisdom and tragic folly Sadly the king who warned against so many sins did not follow his own advice and he wound up leading Israel into idolatry Nevertheless his life and writings provide valuable lessons for us today in the twenty first century In this study pastor John MacArthur will guide you through an in depth look at the historical period beginning with Solomon's ascent to the throne and continuing through his tragic end Studies include close up examinations of the vital importance of wisdom with portraits of the wise woman the foolish sluggard and others in the book of Proverbs and careful considerations of doctrinal themes such as True Wisdom from God and A Time for Everything
