Hitler's Airwaves H. J. P. Bergmeier,Rainer E. Lotz,1997-01-01 Jazz was banned from German broadcasting as soon as the Nazis came to power in 1933 Yet throughout World War II American jazz and swing were core components of the Third Reich s propaganda Jazz classics such as W C Handy s famous St Louis Blues their lyrics neatly tampered with came over the airwaves alongside the famous Germany Calling programmes directed at Britain and allied forces around the world

Canada and Colonialism Jim Reynolds,2024-05-15 Colonialism endures in Canada today Dismantling it requires an understanding of how colonialism operated across the British Empire and why Canada s colonial experience was unique Whereas colonies such as India were ruled through despotism and violence Canada s white settler population governed itself while oppressing the Indigenous peoples whose lands they were on Canada and Colonialism shows that Canadians support for colonial rule both at home and abroad is the reason colonialism remains entrenched in Canadian law and society today Author Jim Reynolds presents a truly compelling account of Canada s colonial coming of age and its impacts on Indigenous peoples including the settler led internal colonialism behind the Indian Act and those who enforced it As one of the nation s leading experts in Aboriginal law Reynolds provides a vital accounting of the historical underpinnings and contemporary challenges the nation must address to reconcile with Indigenous peoples and move toward decolonization Fascism in

and the Extreme Right Vision Patrick G. Zander, 2025-09-02 This book is a new assessment of the ideology and political program of Britain's fascist and extreme right wing community during the interwar period 1919-1940. It examines this group's belief system as it clustered around three major preoccupations: Modernization, Empire, and War. In doing so, the book identifies many inconsistencies, contradictions, and moral failings which contributed to the failure of the far right tendency in the interwar years. The numerous beliefs and policies examined all point to a movement that was determined to return Britain to the levels of global power and international leadership it had once enjoyed but by means of policies of disengagement and isolation. As such, it provides insight into the resurgence of the extreme right today. **Lord Haw-Haw & William Joyce** John Alfred Cole, 1965 Story of William Joyce, the man who broadcast to England for the Nazis during the war and whose American citizenship was one of the chief legal problems at his trial for treason. **Racketeers of Hatred** Louis W. Bondy, 1946 **Fascism in Britain** Philip Rees, 1979 This bibliography is intended to cover the history of British fascism from its beginnings in 1923 when Rotha Lintorn Orman founded the British Fascisti to the present time, mid 1977.

Introduction **Freedom's Frontier** Donald Thomas, 2007 How does censorship affect our basic right to freedom? Donald Thomas gives a disturbing insight into what those in power consider too dangerous to be seen or said by ordinary people. Freedom's Frontier reveals how censorship has restricted freedom of expression in the past, including obscenity prosecutions of major and minor writers in the first half of the twentieth century, and continues to silence us in the present with the more insidious tool of political correctness. From the use of seditious libel proceedings to stop rumours of George V's bigamy to the Mutiny Act used to silence Communist publications in the 1920s, from the use of the Official Secrets Act to ban the publication of *Spycatcher* to the Salmon Rushdie controversy in 1989, Donald Thomas chronicles a broad range of censorship cases. Freedom's Frontier argues that although we have won greater freedom of expression in some areas, we have lost the absolute liberty of political expression that was present in the Victorian era. This is a timely and thought-provoking book that challenges the boundaries of censorship and questions the definitions of freedom in today's society. **The Central European Observer**, 1942 Time Briton Hadden, Henry Robinson Luce, 1941 Lord Haw Haw Peter Martland, 2003 Lord Haw Haw: The English Voice of Nazi Germany tells the story of William Joyce from a new angle through the eyes of the British intelligence agents who pursued him from his teenage dalliance with fascism in the 1920s to his execution in 1946. The resulting files and those on Joyce's wife Margaret, known as Lady Haw Haw, were kept secret for many years but in 2000 were released to the UK National Archives. It is from these unique sources that this account of Joyce's life and personality is constructed. Featured documents range from broadcast transcripts to statements and correspondence from Joyce's family, friends, and colleagues, from Joyce's official documents to his personal journal in the desperate days before his capture in May 1945. Along the way, many enduring questions about Lord Haw Haw are considered: Why a man described as a nonentity was a threat to the British establishment? How he captured the public's imagination to become universally loathed? Why the

authorities prosecuted when the documents published here prove they were aware of Joyce's American citizenship. The circumstances that led to Joyce's execution when prosecution of his wife was waived on compassionate grounds. **The Museum of Broadcast Communications Encyclopedia of Radio** Museum of Broadcast Communications, 2004. A premise of this unique encyclopedia is that radio broadcasting is so pervasive that its importance can be easily overlooked. More than 600 articles provide ample illustration of the role this medium plays throughout the world. From radio's invention to radio on the Internet, the cross-referenced and thoroughly indexed articles analyze over 100 years of topics, programs, issues, people, and places and provide leads to further reading. Some 250 photographs give visual context to an often unseen world. Scholars, old-time radio admirers, and curious readers will appreciate the unparalleled comprehensiveness of this source. The Top 20 Reference Titles of the Year American Libraries May 2004. **The Wiener Library Bulletin**, 1946. Biographical Dictionary of the Extreme Right Since 1890 Philip Rees, 1990. *Instauration*, 1995. Studies in the Literary Imagination, 2013. **Germany Calling** Mary Kenny, 2008. This is a biography of William Joyce, also known as Lord Haw Haw. It looks closely at his life from his teenage dalliance with fascism in the 1920s right up until his execution in 1946.
