Their rejection left her homeless and dependent on the streets, but it was during those trying times that she learned how to not only walk in her truth but how to survive. Recycled through the foster system as early as four, Rene is one who has become accustomed to change. Sand introduces her to another side of love and gives her a reason to open her mind and heart to something new that is until Rene finds herself questioning not only their relationship but her sexuality. A series of events leaves them entangled in a web of deceit, wicked passion, and murder. As their love story unfolds, they'll find out soon enough if they are truly each other's ride or die.
