 Chisholm, 1911 *American Crisis: The Collapse of Christian Culture* William D. Howard, 2024-02-19 All Americans know we
 are in a state of cultural crisis but how did we get to this point It has been said if we seek an actual legal date for the fall of
 Judeo Christian culture in America it would be June 26 2015 the day the Supreme Court ruled that homosexual marriage was
 a constitutionally protected right But according to William D Howard the destruction of our country started well before that
 when states began changing laws and incorporating changes that had lasting repercussions on the culture as a whole In
 American Crisis The Collapse of Christian Culture Howard takes an in depth look at civilizations in the past provides insights
 on our current culture and warns of a future that can mean only the destruction of everything we hold dear But this book is
 not without hope Howard uses God s Word to show Christians how we can counter the social and political norms and fight for
 our country s moral political and social outlook As our moral high ground is being chipped away one corner at a time we need
 to take up the call to action and fight against the powers that seek our demise **Forthcoming Books** Rose Arny, 1989
