Two Women Of Galilee:

Two Women of Galilee Mary Rourke, 2012-08-15 Seeking to restore health to her lungs Joanna wife to Herod's chief steward approaches her cousin Mary mother of the healer Jesus Though their families were estranged when Joanna's parents adopted Roman ways Mary welcomes her graciously Jesus indeed heals Joanna's body and her soul blossoms through her friendship with Mary and with her work as one of his disciples But as word of Jesus' miracles reaches King Herod's court intrigue treachery and murder cast shadows onto Joanna's new path changing her life forever **Notes on the Gospel of**

Matthew; Explanatory and Practical George Whitefield Clark, 1870 *Shaken Creeds: the Resurrection Doctrines* Jocelyn Rhys, 1924 *How Violence Works* John Babak Ebrahimian, 2025-05-15 This book uncovers how violence stems from our desires It explores why we compete envy and sometimes escalate conflicts into war From wanting material things such as cars or prestigious jobs to seeking power or influence desire can often lead to violence The book shows how this plays out in major historical events such as 9/11 and the two World Wars Drawing from literature pop culture psychology mythology and religion it explains how desire is always mimetic or imitative We desire what another person wants While mimetic desire can be a constructive mechanism it is also capable of creating violent mechanisms such as the scapegoat mechanism which we have seen throughout history In looking at Jesus Christ's passion and resurrection we see how he uncovered the scapegoat mechanism and along with his teachings offered a viable path to peace and an end to violence *For Us and for Our Salvation* Robert E. Schmitz, 2025-05-05 A renewal of pastoral theology is required to address the growing disconnect between the proclamation of the way of Jesus Christ and the lives of contemporary believers Pastoral ministers need to explore a dimension of the truth called performatory truth This dimension inspires life construction It must glean from the revelation what faith does to believers for believers and in believers the functions of faith Upon reflection on performatory truth and the functions of faith this work experiments with the propositions of the Nicene Creed to find a life constructing dimension How does belief in one God help define human relations How does the Incarnation help value the human How does Father Almighty bring believers to a Christian form of power and authority What does it mean when the Lord calls believers to take up the cross How can one imagine life in the Father in Son in the Holy Spirit in the church This reconnection of the Christian truth with contemporary life will assist preachers and teachers and inspire believers to live the Lord's way even in these strange times **The Princeton Theological Review**, 1907 Includes section Reviews of recent literature

Patterns of Women's Leadership in Early Christianity Joan E. Taylor, Ilaria L. E. Ramelli, 2021-02-18 This authoritative collection brings together the latest thinking on women's leadership in early Christianity *Patterns of Women's Leadership in Early Christianity* considers the evidence for ways in which women exercised leadership in churches from the 1st to the 9th centuries CE This rich and diverse volume breaks new ground in the study of women in early Christianity This is not about working with one method based on one type of feminist theory but overall there is nevertheless a feminist or egalitarian

agenda in considering the full equality of women with men in religious spheres a positive goal with the assumption that this full equality has yet to be attained The chapters revisit both older studies and offers new and unpublished research exploring the many ways in which ancient Christian women s leadership could function The Star of Bethlehem Benjamin Franklin Purnell,1903 **New-Church Messenger** ,1919 **I Don't Believe That Either . . . However** Tucker E. Dawson Jr.,2024-01-24 This book is written for the thinking person who is struggling to believe It does this by presenting Christianity as a matter of relationships Good behavior and correct belief do not build relationships but grow from them The Bible tells the unfolding story of a relationship given lost and reoffered again and again This is more clear when we begin here below where we are accentuating God s immanence over his transcendence In such an approach optional understandings of church teachings become evident options that are biblically and theologically sound but are seldom offered There is more than one way to skin a dogma These alternatives to many teachings provide hope to those outside the church who wish for something more than competition for material possessions and for those inside the church and struggling to stay We are socialized into a scientific world view in which there is little room for spirituality This tension between science and religion is addressed by the presentation of Christianity that is not anti intellectual rigid or defensive This book shows that we do not need to choose between our worldview and our faith The Resurrection: a Critical Inquiry Michael J. Alter,2015-02-21 The Resurrection A Critical Inquiry is a scholarly work that refutes Jesuss purported physical bodily resurrection and those writings in support of it This book is compelling relevant and current for those readers seeking scholarly refutations of that resurrection This in depth work presents the reader with 113 issues Altogether one hundred twenty contradictions and 217 speculations are examined Topics include cutting edge research in astronomy geophysics criminology and the rules of evidence the social sciences and cognitive psychology **A Chronological and Geographical Introduction to the Life of Christ** Edouard Caspari,1876 **St. Matthew's gospel, with the parallel passages in the other evangelists, with notes [by J. Stark].** James Stark,1878 *The variorum teacher's editions of the holy Bible. With which is incorporated the Aids to the student of the holy Bible* ,1882 **The Evidences Against Christianity** John Shertzer Hittell,1856 Problems of the Future and Essays Samuel Laing,1889 *The Variorum Teacher's Edition of the Holy Bible* William Sanday,Thomas Kelly Cheyne,Samuel Rolles Driver,Robert Lowes Clarke,Alfred Goodwin,1886 The life of our Lord upon the earth Samuel J.
