Afrikaans Linguistics WAM Carstens, Nerina Bosman, 2024-10-03 Offering a contemporary exploration of the multifaceted landscape of Afrikaans linguistics *Afrikaans Linguistics Contemporary Perspectives* marks a seminal contribution to the field This volume for the first time presents accessible insights into diverse linguistics subdisciplines inviting international scholars to familiarise themselves with Afrikaans language studies Throughout much of the late 19th and 20th centuries Afrikaans scholars predominantly communicated in Afrikaans resulting in a significant gap in the dissemination of knowledge about the language The chapters in this book written by prominent South Africans as well as international scholars working in the field of Afrikaans serve as a pivotal bridge by providing essential historical context while also paying attention to the development of Afrikaans linguistics during the 20th century The primary focus remains on illuminating 21st century research trajectories offering a comprehensive snapshot of contemporary scholarship in Afrikaans linguistics

Written Afrikaans since Standardization Johanita Kirsten, 2019-02-14 This book focuses on a century of language change starting early in the 20th century when Standard Afrikaans first emerged Different areas of language use are explored such as pronoun use tenses possession and connectives The changes in these areas are divided into three categories of types of change paradigmatic changes grammaticalization and discursive and socio cultural changes The book also includes a short history of the standardization of Afrikaans and brief discussions of some relevant ideological issues The second and final chapters include an in depth discussion of the theory of language change and language evolution as well as reflections on what language change is and how it proceeds The role of language contact in language change and language external influences are also considered

A Grammar of Afrikaans Bruce C. Donaldson, 2011-05-12 The series builds an extensive collection of high quality descriptions of languages around the world Each volume offers a comprehensive grammatical description of a single language together with fully analyzed sample texts and if appropriate a word list and other relevant information which is available on the language in question There are no restrictions as to language family or area and although special attention is paid to hitherto undescribed languages new and valuable treatments of better known languages are also included No theoretical model is imposed on the authors the only criterion is a high standard of scientific quality

South African Language Rights Monitor 2003 Theo du Plessis, Johan Lubbe, Elbie Truter, 2011-11-01 The South African Language Rights Monitor SALRM Project surveys the mainstream newspapers of South Africa with a view to compile annual reports on the developments on the language front in the country While the main focus is on language rights and language rights activism the yearly Monitor also covers other language related problems including name changes as well as aspects of language promotion For anybody interested in subjects ranging from the proposed renaming of Bloemfontein Louis Trichardt Pretoria Port Elizabeth and Johannesburg International Airport to the incident of Johann Rupert withdrawing his advertisements from a British magazine and from the saga on mother tongue education at schools to the language policy

in the judicial system and the success of the South African films Yesterday and U Carmen eKhayelitsha the SALRM 2005 provides a rich source of information The SALRM Project is housed in the Department of Language Management and Language Practice at the University of the Free State **Theories of Social and Economic Justice** André Johannes Van der Walt,2005-08-01 The bulk of the contributions in this publication originated in a research project initiated by the Stellenbosch Institute for Advanced Study STIAS in 2002 The book is based on the idea that the attainment of greater social and economic justice specifically in the South African context is strongly influenced by the implications and the coherence of various theories of social and economic justice Navorsingsverslag ,1991 **Southern African Linguistics and Applied Language Studies** ,2007 **List of Serials** Johannesburg (South Africa).
