U-Boat Ace Jordan Vause,2001-11-02 An exceptional figure in the history of the German Navy Wolfgang Luth was one of only seven men in the Wehrmacht to win Germany's highest combat decoration the Knight's Cross with Oak Leaves Swords and Diamonds At one time or another he operated in almost every theater of the undersea war from Norway to the Indian Ocean and became the second most successful German U boat ace in World War II sinking more than 220 000 tons of merchant shipping A master in the art of military leadership Luth was the youngest man to be appointed to the rank of captain and the youngest to become commandant of the German Naval Academy Nevertheless his accomplishments were overshadowed by those of other great aces such as Prien Kretschmer and Topp The publication of this book in hardcover in 1990 marked the first comprehensive study of Luth's life Jordan Vause corrects the long neglect by providing an entertaining and authoritative biography that places the ace in the context of the war at sea This new paperback edition includes corrections and additional information collected by the author over the past decade U-boat Ace Jordan Vause,1990

United States Naval Institute Proceedings ,2001 *Subject Guide to Books in Print* ,1975 Lone Wolf Timothy Mulligan,1993-08-23 Who constituted an elite in Hitler's Wehrmacht The story of U 515 is also closely correlated to the overall conduct of the U Boat war including assessments of Karl Donitz's strategy the influence of technological innovations and the contributions of Allied signal intelligence Henke's confrontation with the Gestapo and a detailed account of the sinking of the passenger liner Ceramic further add to the story revealing the complex reality behind an image too long

Wolfpack: Inside Hitler's U-Boat War Roger Moorhouse,2025-10-09 A superb work of history JAMES HOLLAND A thrilling account from a master of Second World War history DAN SNOW A landmark history of the U Boat war told through the experiences and recollections of the U Boat crews themselves **The Sea Wolves** Wolfgang Frank,1955 The Golden Horseshoe Terence Robertson,2011-07-04 The legendary U boat ace Otto Kretschmer was branded the wolf of the Atlantic and for good reason In his dramatic wartime career he sank ship after ship sowing terror among Allied convoys and dismay in those charged with their protection Kretschmer was a daring officer who favoured bringing his U boat into the heart of the convoy and destroying it from within He earned himself a tremendous reputation before his capture in March 1941 and The Golden Horseshoe makes it clear why Terence Robertson's biography of the U boat ace draws upon first hand experience of conditions and the deadly game as the hunter sought to outfox the hunted He paints a masterly portrait of life at sea and weaves in the fascinating story of Kretschmer and the exploits of his U Boats Kretschmer was eventually captured and interviewed by Captain McIntyre of HMS Walker an episode which is also recounted in this book Otto Kretschmer became a prisoner of war in March 1941 and spent most of the rest of the war in Bowmanville camp Canada before his release in 1947

Wolf Jordan Vause,1997 That followed His close examination of their lives reveals that many were extremely different from the pictures typically drawn of them They were as varied in their thoughts and actions as other fighting men on both

sides of the war Particularly valuable is the author's use of new information in his portrayal of Karl Donitz and other prominent commanders to correct and enhance characterizations presented in earlier books His use of personal letters and unpublished **Hirschfeld** Geoffrey Brooks, Wolfgang Hirschfeld, 2011-11-11 Whilst there have been many memoirs written by U boat commanders of the Second World War a book such as this based upon the diaries of a senior Petty Officer telegraphist written in real time is something very special Wolfgang Hirschfeld whose diaries Geoffrey Brooks has translated is a born story teller The principal chapters describe his experiences during six war patrols in U 109 in which he served as the senior telegraphist His is a tale which covers the whole kaleidoscope of emotions shared by men at war a story of immense courage and fortitude of remarkable comradeship born of the dangers frustrations and privations shared and of transitory moments of triumph Throughout runs a vein of humour without which resistance to stress would have been virtually impossible We get to know one of Germany's great U boat aces Ajax Bleichrodt holder of the Knight's Cross of the Iron Cross with Oak Leaves and in a special biographical appendix learn how he finally cracked under the strain The role of Admiral Karl Donitz the dynamic commander of the U boat service so fascinatingly described by Hirschfeld is of special interest not least because even this dedicated Nazi had clearly realized by September 1942 that the war was fast being lost In 1944 Hirschfeld was promoted Warrant Officer and found himself on a large schnorkel equipped boat U 234 heading for Japan with a load of high technology equipment and in addition a quantity of uranium ore The possible significance of that uranium has been deeply researched by Geoffrey Brooks and is discussed in a second appendix **Teddy Suhren, Ace of Aces** Teddy Suhren, Fritz Brustat-Naval, 2006 Ace of Aces is the dramatic David McCampbell story complemented by stunning vintage World War II film footage and punctuated with Captain McCampbell's own words recorded for the U S Naval Institute's Oral History program In this professionally produced video McCampbell's candor makes the story of the U S Navy's all time top fighter ace come alive from his boyhood and early naval career to his 34 career kills and earning the Medal of Honor for his valor at the Battle of Leyte Gulf So climb into the cockpit with this extraordinary naval aviator for a memorable flight back in time **To the Last Salute** Georg von Trapp, 2009-01-01 The Sound of Music endeared Georg von Trapp 1880 1947 and his singing family to the world and it also showed how desperately the Nazis wanted Captain von Trapp for their navy In To the Last Salute we learn why Trapp's own story of his exploits as a submarine commander during the First World War is as exciting as it is instructive bringing to stirring life a little known chapter in the naval history of that war In his many guises Trapp describes life as captain of Austro Hungarian U boats in the Mediterranean and Adriatic seas emerging by turn as the Imperial Austrian naval officer the witty observer of international politics and the indefatigable and ultimately heartbroken patriot opposing the Allied enemy He relates deadly duels with submarine sweepers narrow escapes and excruciatingly close calls and the spectacular sinking of cargo and war ships all while maintaining a keen sense of the camaraderie of seamen from every corner of the Austro Hungarian Empire Trapp's story in English for the first time offers a

rare combination of human interest historical insight and true life and death adventure Wolfgang Lüth Jordan Vause,2002
