Angels for You! René Serge-Djanie, 2019-10-01 WHO ARE THE ANGELS OF GOD To many even Christians angels are fairy tales and cunningly devised fables Many don't believe angels exist much more believe they are everyday personalities A few have told their experiences despising the mockery of unbelievers that suppose these spirit beings are only a mirage In this book you will discover the truth of their appearances after divine order as they appeared to notable men that walked with God They just don't appear with wings as many think They can appear without their wings which is often the case so we can relate to them without being afraid of them That's part of God's package for the redeemed In this unveiling mysteries of the ministry of angels Ren Serge Djanie gives a graphic presentation mixed with real life encounters with God's angels that propels the believer to thirst for the ministry of the angels of God Angels constitute The LORD of HOSTS They are sent as our messengers and servants In the Kingdom of God you can only share what you have experienced **Provoking the Angels**
