Ufo Contact From Planet Umno Vol 1:

Ufo Contact from Planet Umno Antonia Ribera,1989-02-01 **Ufo Contact from Planet Umno** Antonio Ribera,Wendelle C. Stevens,1986-05-01 Andromeda Robert Shapiro,Zoosh,2003-11-01 Time Traveling Eighth Dimensional Andromedans Visit Earth They Share Advanced Science with a Mexican Professor a Physicist They Share Details of Their Interaction with a Devastating Nuclear Explosion Involving Two Countries on Earth The Physicist Is Later Committed to a Mental Institution and Then Disappears Forever His Journals Also Disappear Now the Andromedans who originally contacted the Professor speak through Super channel Robert Shapiro and again give instructions that will allow trained scientists to construct a shield around existing Earth planes so that Earth astronauts can fly to Mars or to the stars The Andromedans also tell what really happened on their journeys and on Earth and they clear up questions one would have after reading the English or Spanish version of the previous book the text of which follows the channeling in this book In addition they supply a lively account of their lives on their home planet in the Andromedan constellation of our galaxy The eight foot tall highly mental crew members of the ship who speak Leia the beautiful Cultural Specialist and Social Diplomat who so intrigued the Professor Cheswa the Cultural Liason G dansa Leia s daughter equivalent to an eight year old ET Eloise Duszan the Junior Scientist Onzo the Senior Scientist and Crew Leader the youngest yet genetically modified to be the most brilliant of the crew Playmate a two foot tall roly poly Andromedan who teaches communion of heart and mind **The Extraterrestrial Species Almanac** Craig Campobasso,2021 This is the ultimate field guide to the 82 extraterrestrial species that populate the universe The book explores the origins physical characteristics technological and consciousness abilities dimensional capacities belief systems and cosmic agendas of each of the species Channeling Joel Bjorling,2019-06-19 Originally published in 1992 Channeling is a comprehensive bibliography on the subject of channeling The book defines channeling as any message received or conveyed from transcendent entities and covers material on the history of channeling those that have claimed to transcend death contact with UFOs and contemporary channeling groups The book acts as a research guide and seeks to outline the historical roots of channeling explaining its major teachings and considers its significance as a spiritual movement It provides sources from books booklets articles and ephemeral material and offers a comprehensive list of both primary and secondary materials related to channeling the bibliography takes the most diverse and useful sources of the time This volume although published almost 30 years ago still provides a unique and insightful collection for academics of religion in particular those researching spiritualism and the occult **Other Worlds** John R. Heapes,2014-02-21 Who hasnt asked What happens to me after I die and or Are we alone in the universe Other Worlds UFOs Aliens and the Afterlife takes readers on a journey into other galaxies and into a different timea time after all of their tomorrows How are the societies organized on other planets and in the afterlife This book answers this question with a new approach in the UFO and the Near Death Experience fields As readers take this trip they will wonder if there are universal

laws governing the societies of intelligent beings regardless of where they reside in existence Are humans projecting into foreign forms their own beliefs about how societies should be arranged on Earth Why study such ethereal and controversial material We always learn about ourselves when we study those who are different from us whether those beings are real or not Anyone who has read a good book of fiction knows the validity of this point Consider how many teenagers identify with the characters in the Hunger Games books What follows is the sociological perspective We will explore institutions such as marriage and the family social classes and culture We will determine the sex of alien travelers as well as the occupations of their human witnesses We will learn what the afterlife looks like and discover what messages deceased beings deliver to humans

Children's Books in Print, 2007 ,2006 *Forthcoming Books* Rose Army,1988-07 AB Bookman's Weekly ,1993 Subject Guide to Books in Print ,1983 **Books in Print Supplement** ,1988 **Scientific and Technical Books and Serials in Print** ,1989 *Subject Guide to Forthcoming Books* ,1983 Presents by subject the same titles that are listed by author and title in *Forthcoming books* **Subject Catalog, 1975** Library of Congress,1975 **Ummo and the Extraterrestrial Papers** Antonio Ribera,Timothy Beckley,Antonio Hunees,2012-10 THE ALIENS ARE AMONG US THEY WISH TO COMMUNICATE AND HAVE EVEN CONSTRUCTED CITIES IN REMOTE PLACES WHILE THEY ARE HERE The story of UMMO starts with a series of letters and phone calls to various Spanish UFO researchers in 1965 that purportedly came from an extraterrestrial race While the most commonly reported method of ET contact is clearly by telepathy the aliens in this case tried a more direct decidedly earthly method of communication The letters contained highly detailed discourses on such weighty topics as physics and medicine that could only have been written by experts on the cutting edge in those rarified fields that are light years beyond what a lay hoaxer could have come up with One of the letters also predicted that a UFO sighting would occur on a certain day at a certain location in Spain and the ship did indeed appear on schedule and at the appointed place It was a rare event in the annals of Ufology a supposed alien prediction that actually came true The race behind the letters and activity claimed to have come from a planet named UMMO saying that they had arrived on Earth in 1950 and had been biding their time before contacting trustworthy Earthlings They had come in response to a weak signal inadvertently sent out into space by a Norwegian ship conducting ionospheric research in 1934 It was later verified that both the ship and its experiments were indeed real world events The first landing took place near the Basses Alps in France The aliens from UMMO also claimed to have built an underground base in France as well and later to have established other strongholds including isolated small cities much like the aliens in the new science fiction hit District Nine The story kicks into higher gear when two additional sightings occurred near Madrid in 1966 and 1967 In both instances the bottom side of the ship displayed the letters UMMO as well as a distinctive pictorial mark seen throughout the book that resembles our own notation for Uranus According to the introduction written by Antonio Huneus seven clear photos of a classic flying saucer with a large UMMO symbol were taken by one of the Spanish witnesses during the second incident Though they were later

labeled as a hoax by Dr J Allen Hynek's Center for UFO Studies in Chicago the photographer still stands by them Another aspect of the second sighting was a strange kind of debris left behind what were thought at first to be small tubes of a metal resembling nickel After being sent to Spain's National Institute of Aerospace Technology they were determined to contain plastic sheets of polyvinyl fluoride developed by DuPont The catch is however that at the time the use of the material was restricted to the military only So we have here the makings of another classic UFO case one with the kind of similarities to previous cases that grounds it within the relative confines of reality while at the same time offering up newer details that add to the uniqueness of the case material The book begins with a longish opening section from the early 1990s in which an Earthling named simply Tony exchanges letters with an alien called Mr X in which they discuss numerous aspects of life on Earth as seen from an alien perspective as well as inklings of the cosmic truth possessed by the aliens Mass Contacts Stefano Breccia, 2009 Mass Contacts is an astounding story that says that Contact has begun from one who knows A detailed report of contacts with human type aliens on the Adriatic coast which answers many of our questions this book is a milestone for ufologists who study Contact They were here and many look like us It's time for disclosure Paola Leopizzi Harris Researcher and Author Connecting the Dots Making Sense of UFO Phenomena Exopolitics How Does One Speak to a Ball of Light This book is a true milestone in the spreading of the reality of contacts between our humanity and extraterrestrials both in the past and now it gives rise to vital important hints in order to understand the epoch making events that are waiting for us and interact with them in the best way Tom Bosco NEXUS Magazine Edizione Italiana Eng Stefani Breccia and I are friends and have been responsible keepers of truths that not always were sharable with other people Both of us have dedicated a significant part of our lives to UFO's myself trying to spread this reality in the best way Stefano trying to understand its roots both being aware of how important the phenomenon is And so I have acted as a midwife to the important result of Stefano's work being convinced that reading this book is at the same time necessary and useful Roberto Pinotti Director Centro Ufologico Nazionale CUN Italy This book based upon memories of experiences covering a period of many years is charming above all for it concerns the contact first and then the coexistence of humans and aliens working toward a single goal Paolo Di Girolama Professor and writer **UFO Contact, the Four** Donna R. Butts, S. Scott Corder, 1989 **Ufo Contact from Planet Acart, from Utopia to Reality** Artur Berlet, 1988-08-01 **Ufo...Contact from Planet Iarga** Stefan Denaerde, Wendelle C. Stevens, 1982-06-01 *Ufo Contact from Planet Koldas* Carl van Vlierden, 2014-08-31 This particular case is of special interest because it was carefully investigated and documented by highly competent and well experienced long time UFO investigators one of whom became himself involved directly in the contacts
