Power and the Pulpit Gerald Hiestand, Joel Lawrence, 2025-10-22 The evangelical tradition places the sermon at the center of church life We build buildings around pulpits and preachers We champion gifted communicators We celebrate effective homiletical techniques But too often these emphases are not the result of deep theological convictions but of the church's adoption of modern visions of communication and success In our day preaching is easily unmoored from its biblical theological and historical anchors Too often it has become a tool of celebrity We have seen pulpits and preaching taken captive by political and pragmatic ideologies The teaching office of the church has sometimes been manipulated to secure and maintain human power The present condition of much preaching in our time compels us to ask What is our theology of preaching Is our vision of the sermon rooted in the miracle of God's word proclaimed or in the desire to entertain Is our preaching a function of a theology of glory or a theology of the cross Reflecting on such questions the essays in this volume seek to chart a path forward for word centered God glorifying preaching

Clavos bien clavados Byron Forrest Yawn, 2013-01-08 Los profesores no producen predicadores. Los predicadores son tallados del duro granito de la experiencia y el tiempo. El autor tuvo el privilegio de sentarse con algunos de los predicadores más notables de nuestro tiempo incluyendo a John Piper, John MacArthur y R C Sproul. Como clavos bien clavados es una exposición de lo aprendido de estos verdaderos maestros del arte. No obstante, es algo más que un simple libro sobre la predicación. Se trata de un viaje que todo predicador debe recorrer si quiere proclamar valientemente a Cristo aunque esté en una sala llena de críticos. Se trata de encontrar su propia voz. En este sentido también se aplica a todo el que lucha por superar el temor al hombre en su devoción a Cristo.

Professors don't produce preachers. Preachers are hewn out of the rough granite of experience and time. The author had the privilege of sitting down with some of the most notable preachers of our day including John Piper, John MacArthur and R C Sproul. Well Driven Nails is an accounting of what he learned from these true professors of the craft. But it is also more than a book on preaching. It's about a journey every preacher must take if he is to be a fearless proclaimer of Christ in a room full of critics. It is about finding one's own voice. In this sense it also applies to everyone who struggles to overcome the fear of man in their devotion to Christ. Available in English from Ambassador International.

Pregos Bem Fixados Byron Forrest Yawn, 2015-07-08 Esta obra é uma narrativa do que o autor aprendeu com os verdadeiros mestres da pregação, como John F MacArthur, R C Sproul e John Piper. Mas também mais que um livro sobre pregação, é uma chance de auxiliar o pregador a encontrar o seu estilo e ser destemido na hora de se deparar com olhares críticos. A Palavra de Deus ainda precisa ser pregada. Um produto CPAD.

Campbell,2021-09-30 For those in local church ministry it is often a pressing matter to find the time to take care of their own souls More often than not pastors tend to prioritize sermon preparation and delivery as their primary tasks when actually their first task should be their own spiritual health It is for this purpose that this book is written to encourage pastors to soul care before sermon preparation If pastors will prepare their own hearts the sermon will fall in line and permeate the hearts of the listeners
