Uncovering Truffles The Scarcity And Value Of Women In Stem

Melanie Polkosky

Uncovering Truffles The Scarcity And Value Of Women In Stem:

Uncovering Truffles Melanie Polkosky, 2015-08-07 Have you ever glanced around to realize you're the only woman in the room? Does a small voice in your head whisper you don't belong? Do you fear for your daughter in math and science? The research says female students and professionals in STEM (Science, Technology, Engineering, and Math) are angry, frustrated, and discouraged. No one knows these swirling emotions better than engineering psychologist Dr. Melanie Polkosky, who worked for over a decade in the STEM field where women are most underrepresented. In *Uncovering Truffles*, Polkosky examines the underlying reasons girls shy away from math and science and over half of female professionals leave their careers before the age of 40. Following a review of cutting-edge cognitive neuroscience research and mythological perspectives on femininity, Polkosky offers twenty practical lessons to uncover the priceless value of women who integrate their masculine and feminine aspects along with a hopeful vision for the future of inclusive work. *Uncovering Truffles* combines searing memoir with tools and inspiration that encourage women to design engaging and meaningful careers, increase gender diversity, and establish supportive, healthy workplaces. Written with wisdom and startling honesty, Polkosky offers a clarion call to action for any forward-thinking individual who believes STEM and business in general can be a mechanism for serving humanity's greater good.

Digital Marketing Strategy Simon Kingsnorth, 2022-05-03 Build an effective and practical digital marketing strategy with this bestselling guide covering everything from automation and analytics to integrating AI. *Digital Marketing Strategy* is a global bestseller and a one-stop guide to structuring and building a more strategic approach to digital marketing. Now fully updated, this third edition covers the integration of AI in marketing, e-commerce, marketing automation, affiliate marketing, and how to use digital analytical tools, plus new strategies for the latest cookie changes and privacy protection. *Digital Marketing Strategy* will show you how to effectively select, align, and manage digital channels and operations to streamline a successful digital marketing strategy for measurable, optimized results. Recommended by the Chartered Institute of Marketing (CIM), it is supported by real-world case studies from the likes of Coca-Cola, Spotify, Airbnb, Adidas, and Hostelworld, as well as checklists, key terms, and insights from leading industry practitioners to help you develop your own digital marketing strategy. This book is an invaluable guide for both digital marketing students and entry-level to mid-management marketing professionals. Accompanying online resources consist of practical implementation guides spanning SEO, paid search, email lead generation, as well as presentation slides and activity sheets.
