Van Agt Tour De Force Biografie:

A History of the Netherlands Friso Wielenga, 2024-01-25 Friso Wielenga's detailed history of the Netherlands traces its political development from independence to today incorporating significant explorations of culture economics international relations colonisation and decolonisation in the process It provides a thorough and well balanced overview of the key moments in and vital aspects of Dutch history since 1500 Challenging incorrect assumptions concerning political consensus and religious toleration in the country A History of the Netherlands offers a masterful analysis of domestic politics and the nation's international involvements This new edition includes Enhanced and expanded examinations of 21st century developments to the present Greater coverage of the Dutch role in the slave trade the Atlantic trade and the Glorious Revolution More material on multiculturalism and integration politics and the World War Two deportation and extermination of the Dutch Jewry Historiographical updates throughout The book is vital reading for anyone looking for a rich understanding of the Netherlands and its past

Evaluating Counterterrorism Performance Beatrice de Graaf, 2011-03-15 This book offers a new model for measuring the success and impact of counterterrorism strategies using four comparative historical case studies The effectiveness of counterterrorism measures is hard to assess especially since the social impact of terrorist attacks is a fundamental and complex issue This book focuses on the impact of counterterrorist measures by introducing the concept of the performative power of counterterrorism the extent to which governments mobilize public and political support thereby sometimes even unwittingly assisting terrorists in creating social drama The concept is applied to counterterrorism in the Netherlands Italy the Federal Republic of Germany and the United States in the 1970s Based on in depth case study research using new primary sources and interviews with counterterrorist officials and radicals a correlation is established between a low level of performative power and a decline of terrorist incidents This is explored in terms of the link between social drama as enhanced by counterterrorist measures and ongoing radicalization processes This book demonstrates that an increase in visible and intrusive counterterrorist measures does not automatically lead to a more effective form of counterterrorism In the open democracies of the west not transforming counterterrorism into a performance of power and repression is at least as important as counterterrorism measures themselves This book will be of much interest to students of terrorism and counter terrorism discourse analysis media and communication studies conflict studies and IR Security Studies in general

NATO at 70 Linda Risso, 2020-06-29 Reflecting on North Atlantic Treaty Organisation NATO at 70 and the organisation's eventful history this book challenges the traditional crisis led approach that sees crises as key driving forces that pushed the alliance in radically new directions It assesses the long term development of NATO since its foundation Based on a wide range of case studies and on multinational archival research the chapters in this book demonstrate the continuous effort of the NATO member states to build a shared political space and a common security thinking to enhance the Alliance resilience and deterrent function The authors also correct the common tendency to focus on

either the political or the military dimension of the Alliance They show the deeply ingrained interdependence between the two and how their complexity has shaped the work strategy and development of NATO over time Thanks to its innovative approach and long term scope this volume offers new exciting insights into the history of the Alliance This book comprises articles originally published in Cold War History **Van Agt biografie** Johan van Merriënboer, Peter Bootsma, P. G. T. W. van Griensven, 2008 Biografie van de CDA politicus geboren in 1931 in de jaren zeventig en tachtig minister van justitie en minister president **Die Kriegsverbrecherlobby** Felix Bohr, 2018 Nach dem Zweiten Weltkrieg waren in zahlreichen westeuropäischen Ländern NS Kriegsverbrecher inhaftiert Im Zuge der Westbindung der Bundesrepublik wurden die meisten von ihnen entlassen Lediglich in Italien und den Niederlanden verblieben fünf Deutsche im Gefängnis der SS Mann Herbert Kappler als Kommandeur der Sicherheitspolizei verantwortlich für das Massaker in den Ardeatinischen Höhlen sowie die Vier von Breda die maßgeblich an der Ermordung der niederländischen Juden beteiligt waren Hochrangige deutsche Politiker setzten sich für ihre Freilassung ein Ein Netzwerk von Kirchenverbänden Veteranenvereinigungen und Diplomaten organisierte die Unterstützung für die Kriegsverbrecher auf höchster politischer Ebene Auf der Grundlage bislang nicht zugänglicher Quellen wirft Bohr einen umfassenden Blick auf ein Kapitel bundesdeutscher Vergangenheitspolitik **Juliana & Bernhard** C.
