The Vangeretta Curse:

The Vangeretta Curse Christina M. Mobley, 2012-07-11 There are people born in this world with a powerful connection to the earth itself They have an unbreakable and extraordinary bond Every seven years five people are born on the same day at the exact same time The elements bind them earth fire wind water and spirit They call them Elementris Ava Vangeretta is seventeen years old and different Unlike most born of the element she was born alone She has the power of all five elements Ava is the first True Elementris to be born in many years As her eighteenth birthday approaches she is faced with a choice Give up this rare gift and live the normal life she has always craved or accept it and challenge the current True Elementris in a battle to the death Ava's past haunts her as she struggles to decide In her present the seasons are colliding together storms are destroying lives and love is a dangerous curse The current True Elementris is behind it all and she will do whatever necessary to keep Ava from making it to her eighteenth birthday Ava's decision threatens the lives of the two people she cares about most Can you choose between love and friendship Get ready for the storm Eruption Christina Mobley, Melissa Davis, 2014-08-14 When you love someone more than yourself protecting them is all that matters it is all there is Snow one minute and blazing temperatures the next horrific storms everywhere and Ava has no idea what's causing it Desperate for answers she turns to the past An ancient diary reveals the truth about Element Island and the true origins of those born of the Element Everything she thought she knew is wrong Destiny is coming for her unborn child Ava's fairytale has quickly turned into a nightmare No one can be trusted Friendships will be tested and lives will be lost As nature and destiny collide a child that will change everything is born The eruption will mark the beginning and the end and the battle has just begun

~**Exposure**~ Christina Mobley, 2013-03-21 Hidden behind a continuous storm in the heart of the Bermuda Triangle there is a secret and powerful place Element Island's mysteries are as great as its beauty Ava Vangeretta's life changed forever after she arrived on the island she became the True Elementris Now Ava is faced with a new challenge The powerful gifts protected by those born of the element could be revealed Temptation gives new life to an old curse danger draws near and the lines between friend and enemy are blurred as secrets are revealed Ava will do whatever it takes to protect those she loves but can she prevent exposure *Cursed* Marie O'Regan, 2020 An anthology of unique twists on the fairy tale conceit of the curse from the traditional to the modern giving us brand new mythologies as well as new approaches to well loved fables Some might shock you some might make you laugh but they will all impress you with their originality
