The Vatican Secrets And Treasures Of The Holy City:

Der Vatikan Michael Collins, Christopher Pillitz, 2009 *Where Is the Vatican?* Megan Stine, Who HQ, 2019-12-24 Did you know that the Vatican is a country the smallest in the world Find out the amazing history of the headquarters of the Catholic Church It s time to elect a new pope Hundreds of thousands of people gather in front of St Peter s Basilica to learn who will be the next leader of the Catholic Church A white puff of smoke from a chimney signals the cardinals the princes of the church have elected one of their own who will continue to be the leader of the faith that has been around for more than two thousand years Author Megan Stine charts the beginning of Christianity and its hold on members of the faith as well as the countless struggles for power one pope was poisoned by his own men the building of the Vatican and creation of the Sistine Chapel and the Secret Archives that hold papers the church has accumulated over the centuries *Jesus Wept* Philip Shenon, 2025-02-11 From the best selling author and former New York Times investigative reporter an unprecedented look at the defining struggles of the modern Catholic Church told through the lives of the last seven popes carrying us from the wake of World War II up through the present day and providing essential context around the most pressing issues faced by Pope Francis An extraordinary accomplishment controversial but crucial for discussions in today s Catholic Church Kirkus Reviews starred review When the jolly Italian peasant turned cardinal Angelo Giuseppe Roncalli of Venice was elected Pope John XXIII in 1958 change was in the air The Church many said had refused to enter the twentieth century In response Pope John launched Vatican II an ecumenical council that summoned hundreds of church leaders to Rome It marked one of the most progressive turns the Church had taken in centuries medicine of mercy as Pope John called it Yet not everyone in the Church was prepared to accept this modernization The lines were drawn in a battle that continues to rage into the twenty first century In *Jesus Wept* Philip Shenon takes us inside the Holy See to reveal its intricacies hypocrisies and hidden maneuverings bringing all the momentous disputes and issues vividly to life priestly celibacy birth control homosexuality restoring ties with other Christians and Jews shameful sex abuse crimes the role of women in the Church In his rich portrayals of the popes from John to Francis Shenon draws on research across four continents including hundreds of interviews and the exhaustive archival material He also brings to light other key figures in the Church such as Cardinal Alfredo Ottaviani the incredibly powerful conservative and staunchly anticommunist director of the Holy Office under Pius XII who lived proudly by the motto *semper idem* always the same This is a consummate vibrant history of the modern Church

Love Is a Journey Mo Guernon, 2025-05-06 *Love is a Journey* is the remarkable story of Albino Luciani known to the world as Pope John Paul I from his harrowing birth to his tragic death just 33 days into his 1978 pontificate the shortest pontificate in history After years of dedicated archival research and after interviewing dozens of figures in the Catholic hierarchy as well as Pope John Paul I s niece author Mo Guernon explores Luciani s family history personality and character to reveal the very essence of the man who became known as the Smiling Pope Guernon analyzes Luciani s major public

pronouncements and his most significant writings which shed considerable light on his fundamental beliefs and worldview In the concluding chapters of the book Guernon assesses Pope John Paul I s legacy and journey toward sainthood and the beguiling question of how the Catholic Church might have evolved had his pontificate endured through the 1980s and beyond The events of Luciani s life are so compelling so remarkable so fast moving that the narrative reads like a novel Guernon paints a multi dimensional portrait of the man that prominently displays his virtues and shortcomings successes and failures heroic deeds and personal doubts about his own courage He highlights Luciani s progressive views of issues of his time the crises in his personal and priestly life his discomfort with the spotlight and his anxiety about succeeding the popular Pope Paul VI the relative simplicity of his inauguration as pope and the unprecedented power he wielded on those with whom he came into contact both personally and through the mass media Above all Guernon attempts to capture the pope s mysterious ability to engender love among people of all faiths and nonbelievers too with his inimitable humility and almost divine smile A striking example of his influence came from punk rocker Patti Smith who was so enamored of Luciani that she wrote a song about the pope and dedicated her 1979 album Wave to him Pope John Paul I s impact on the world during his 33 day pontificate was simultaneously profound and perplexing and until now underappreciated In little more than a month the Luciani dazzled people of all ages races and nations while modernizing the papacy and establishing an ambitious agenda for promoting peace and dialogue among all peoples a program subsequently carried out by his successors particularly Pope Francis And in fact Pope Francis established the Vatican Pope John Paul I Foundation in memory of his beloved mentor Never has a world leader accomplished so much in so little time
