Christopher Reyes,2014-05-16 The way to maintain a Christianized falsehood is to stigmatize the real truth to such an extent that it would be heresy to even listen to it For one who is seeking historical truth A record held sacred is for the most part fundamentally vitiated vitiated Random House 1 spoiled marred 2 perverted corrupted 3 rendered invalid Tacitus 1 2 13 p 2556 What does Christianity teach man Christianity teaches that the human race is depraved fallen and sinful D James Kennedy Why I Believe World Publishing 1980 This book is about the Christian leadership which planned from the very beginning to deceive mankind force feed mankind with their intellectual arrogance convolutions

superstitions and boldly admit to it fabricating lies so preposterous and so deliberately outlandish that even the saints who also obliged Christian subjects with their theological tunnel vision had to write of them The series of books entitled In His Name will virtually challenge everything you have been taught about Christianity Just because something is old or of antiquity does not necessarily mean that it is the Truth 1 Timothy Christian apologists proclaim that Christianity is not only a Revelation of Divine Truth it is also the Inspiration to a more virtuous life excerpt from The History of the Orthodox Church by Rev Constantine Callinikos Time itself will someday expose the fallacies of their faith a faith that not only deceives its followers but a faith that will also condemn them and condemn all constructive sacred learning

Oh what a tangled web we weave When first we practice to deceive Sir Walter Scott

Why do Christian churches refuse to let their congregations read of the beginnings of their faith Why does the Christian Church refuse to allow their membership to read of the original authors Why does the Church equate suffering with virtue This book will challenge your beliefs It is meant to get one to think rationally sensibly realistically However one must know that most churches do not want you to think rationally they would rather you not think at all At one time the Catholic Church even issued guidelines as to which books a university could with permission disseminate to its students and even the works of Aristotle the Prince of Philosophers and the Holy Bible itself were actually forbidden

A Corrupt Tree: An Encyclopaedia of Crimes committed by the Church of Rome against Humanity and the Human Spirit A.S.,2014-01-13 A Corrupt Tree is a unique extensively researched four volume expos of the dark side of the Church of Rome It reveals that for nearly two thousand years the Church s fundamental characteristic has been its self serving abuse of religio corporate power A large proportion of this first volume provides a detailed catalogue of the multitude of unholy popes Included are those who were immature capricious corrupt lascivious fanatical senile truly mad megalomaniac tyrannical murderous and wholesale killers It confirms that for many many centuries the popes were corrupt cruel inhumane and despotic In an age of savagery they were the leaders in barbarity in the subsequent age of enlightenment they have persistently resisted the march of progress Additionally the popes were wholesale killers who made the principle of assassination a law of the Christian Church Accordingly the Church has shed more innocent blood than any other institution that has ever existed among mankind Here also are presented the cupidity corruption and sexual misconducts of lesser ecclesiastics including cardinals bishops priests monks and nuns Pope Honorius III for example described his priests as worse than beasts wallowing in their dung The Church s ruthless stranglehold on knowledge and learning is catalogued in detail Mathematics philosophy and science were repressed Selected applied theology ruled the world Everything was explained but nothing was understood The chapters on censorship reveal that even works of considerable literary or philosophical merit did not escape A large number of writings which eventually became classics of European culture were condemned and prohibited The Church also exhibited a vitriolic hatred of those who translated the Bible into the vernacular

Many of these men were annihilated Holy books were burned in large numbers particularly the Jewish Talmud It is clearly demonstrated that the Church held back civilisation for over fifteen hundred years Century after century passed away and left the peasantry but little better than the cattle in the fields Finally the unholy behaviours of the numerous popes cardinals and lesser ecclesiastics are shown to establish unequivocally that the Church of Rome is neither holy nor apostolic The ultimate message of these volumes is that to become an exemplary institution and to play a truly humane role in the world's future the Catholic Church must change

The Dark Side of God Douglas Lockhart, 1999 Questioning Christian teaching and the problem of evil this book examines the origins of Christian belief claiming that the Roman Church abandoned its spiritual mission in pursuit of power The underlying message is one of hope for anyone interested in regaining a sense of spiritual purpose
