

THE VIVIEN GREENE DOLLS' HOUSE COLLECTION

VIVIEN GREENE
WITH MARGARET TOWNER

The Vivien Greene Dolls House Collection

Jeremy Aynsley, Charlotte Grant

The Vivien Greene Dolls House Collection:

The Vivien Greene Dolls' House Collection Vivien Greene, Margaret Towner, 1995 This volume offers a fully illustrated view of all the houses in Vivien Greene's collection and their contents. It is accompanied by the author's own memories and interpretation and will provide a vital record for enthusiast and historian alike. [The Vivien Greene Dolls' House Collection](#) Bonhams (Firm), 1998

Life in Miniature Nicola Lisle, 2020-11-23 A comprehensive and enjoyable guide to the centuries long history of dolls houses and how they illuminate our past. Books Monthly Dolls houses are tiny slices of social history that give us a fascinating glimpse into domestic life over the last three hundred years. Through text and photos Nicola Lisle explores the origins and history of dolls houses and their furnishings from the earliest known dolls house in sixteenth century Bavaria to the present and looks at how they reflect the architecture, fashions, social attitudes, innovations and craftsmanship of their day. She discusses the changing role of dolls houses and highlights significant events and people to give historical context as well as taking a look at some of the leading dolls house manufacturers such as Silber, Fleming and Lines Brothers Ltd, later Triang. Included are numerous examples of interesting dolls houses, the stories behind them and where to see them, including famous models such as Queen Mary's spectacular 1920s dolls house at Windsor Castle. There is also a chapter on model towns and villages which became popular in the twentieth century and also give us a window on the past by replicating real places or capturing scenes typical of a bygone era, plus advice for dolls house collectors, a detailed directory of places to visit, a timeline of dolls house history and recommended further reading.

Frocking Life BillyBoy*, 2016-12-20 At an early age BillyBoy chose two mentors: Bugs Bunny and Elsa Schiaparelli. From Bugs Bunny he learned the basics of how to behave in society and how to manage life's wicked turns to be coy, smart, witty and to always dress appropriately with the assurance of Beau Brummell. But most of all, his cartoon mentor taught him a lighthearted approach to life and an entertaining charm that is to personality what humor is to good conversation. From Schiaparelli, who he discovered at age fourteen through a very strange hat in a Paris flea market, he learned the meanings of love and art. His human mentor opened doors that he never even dreamed existed, as the title character says to her nephew in *Auntie Mame*. As Schiap turned into a genuine passion, she became a golden thread that led to all sorts of discoveries, encounters and inspirations over the next forty years. A wealthy orphan with a glamorous but complicated background, BillyBoy adopted the legendary designer as a guardian angel of sorts and has spent a lifetime searching for her through her clothes. Inspired by *Shocking Life*, Schiaparelli's own memoir, *FROCKING LIFE* will resonate with anyone who loves fashion and flamboyant storytelling. Built around some of the most iconic pieces ever created by the designer, this book is about endless discoveries and the meaning that can be transmitted across decades by a simple piece of clothing. Peopled by dazzling characters from Schiaparelli's own inner circle and the worlds of art and fashion—Saint Laurent, Vreeland, Warhol, to name a few—this is a scintillating yet profound homage to a woman who saw life as art and inspired a young boy to do the same. BillyBoy has always been a strange fruit, and it must be

said not everyone could have a bite of it The press adored him since he was as author Edmund White wrote good copy In fact his thrilling journey through fashion culture and art are deeply tied to what he wore for each occasion One day it is a skintight silver lam studded outfit by Nudie Cohen the designer of Elvis Presley s elaborate ensembles which was originally made for David Cassidy For a tea with the Begum Aga Khan at the Ritz he played the part of the dandy in a conservative suit with impeccable tie topped by a Vivienne Westwood Malcolm McClaren Buffalo hat adorned with a silk lettuce leaf For an interview at home with German Vogue he transformed into a sex kitten in hot pants and an Yves Saint Laurent sheer blouse This book is both BillyBoy s personal story of his intense spiritual and metaphysical journey through life and also his authoritative insight into the life and work of Elsa Schiaparelli who became such an influence on him As an historian and collector his close examination of the milieu of European and American Scandinavian and Asian high fashion and his detailed research into Schiaparelli s haute couture seasonal collections and her vast number of licensed fashion and accessories will appeal not only to fashionistas and haute couture devotees and collectors It explores their relationship to her era through the many friendships and relationships with the iconic people in fashion he forged over four decades Anecdotes of varied stars in all aspects of culture will interest those who study 20th century art and history
