Law Library, New Orleans, 1869 The Best Books: A, Theology. B, Mythology and folklore. C, Philosophy William Swan Sonnenschein, 1910 *German Influence in the English Romantic Period, 1788-1818, with Special Reference to Scott, Coleridge, Shelley and Byron* F. W. Stokoe, 1926 **Official Documents, Comprising the Department and Other Reports** Pennsylvania, 1887 **The Jewish Theosophist**, 1926 *The Wanderer in African American Literature* Gena E. Chandler-Smith, 2024-01-12 The Wanderer in African American Literature highlights an enduring feature of African American letters From the slave narrative to Afrofuturism the literature is populated driven and emboldened by wanderers who know no bounds Gena E Chandler argues that wanderers and the theme of wandering push the limits of narrative forms and challenge assumptions about the African American experience The slave narratives of Olaudah Equiano and Harriet Jacobs echo eighteenth and nineteenth century literary traditions and chronicle journeys toward freedom and faith Equiano traces his changing identity integrating his native African culture with his adopted European one Jacobs addresses the gender restrictions she faces as a slave and then a free woman whose progress in life remains uncertain and ongoing La ngston Hughes and Nella Larsen chronicle real and imagined journeys during the Harlem Renaissance and the Great Migration Hughes s autobiography I Wonder as I Wander 1956 traces his global travels in the 1930s highlighting his unique identity as a black American Larsen s novel Quicksand 1928 follows its biracial heroine as she travels throughout the United States and to Denmark while navigating matters of race and gender The protagonist of Richard Wright s The Outsider 1953 seeks individual freedom and a new identity but is constrained within the boundaries of an American nation and a Western ideal that continuously views the black subject as outside and distinct from the modern project of advancement and freedom In James Baldwin s Giovanni s Room 1956 the white protagonist flees America for France yet cannot escape difficult questions about sexuality and race Finally John Edgar Wideman s The Cattle Killing 1996 tells the story of two wanderers an itinerant

preacher spreading God's word during the Great Awakening and a twentieth century writer on a journey of self discovery about his identity and vocation The former experiences a crisis of his Christian faith and the latter endures a crisis of faith in his literary abilities Tying these diverse threads together Chandler demonstrates the power of the black narrative to assimilate and redeploy the literary trope of wanderlust exchanging its premise of rootless drifting for something altogether more mobilizing

**German Influence in the English Romantic Period 1788-1818** F. W. Stokoe, 2013-10-10 Originally published in 1926 this book examines how interest in German literature in England grew immediately before and during the Romantic period *Publishers' Circular and Booksellers' Record of British and Foreign Literature*, 1895 **Report** Indiana State Library, 1900

**The Wandering Jew Volume 1** Eugene Sue, 2024-11 The Wandering Jew Volume 1 opens with vivid descriptions and the intertwining fates of its central characters setting the stage for a narrative filled with adventure identity and themes of persecution and moral conflict At the heart of the unfolding events is Morok a wild beast tamer who anticipates the arrival of travelers twin sisters Rose and Blanche who are mourning a loss and their protector Dagobert Their journey fraught with suspense and potential danger is underscored by a harsh and isolating environment The novel introduces readers to the setting of Behring's Straits a place that carries an air of mystery and foreboding Morok's expectations suggest that significant conflicts are ahead while the twins close bond and their shared uncertainty reveal the emotional depth of their plight As they seek safety and companionship the narrative explores themes of love loss and survival The characters journey is not only a physical one but an emotional and psychological exploration as they navigate personal and societal struggles Through their trials the story touches on the complexities of human connection fate and the resilience required to face an uncertain future
