## **The Ways Of The Alongsider Growing Disciples Life2life:**

*The Ways of the Alongsider* Bill Mowry, 2016-06-02 Disciple making can be intimidating You might think that someone who makes disciples has to be a teacher a missionary or someone who is seminary trained Would it surprise you to know that disciple making is just a lifestyle in which you offer people love comfort and encouragement where they live work and play Despite our weaknesses and fears Jesus invites us to participate in the Great Commission by helping people live for Christ in the here and now All you have to do is live intentionally love God and journey alongside others life to life This ten week Bible study with discussion questions spells out the how of making disciples through an alongsider approach to life Discover and apply the practices of an alongsider such as reading the Bible with others asking questions telling stories encouraging application and living on mission The Ways of the Alongsider can be used with small groups in a class setting or in a one to one discipling relationship

**The Ways of the Alongsider**, 2010 *The Ways of the Alongsider* Bill Mowry, 2016 The Ways of the Alongsider is more than a Bible study It s a new pathway for making disciples in life2life ways **Walk with Me** Bill Mowry, 2021-03-02 Have we over complicated over systematized and over formalized making disciples When our hearts are changed by Christ it s natural that we should want to help others come to know Him too And while Scripture clearly sets forth how to do so modern Western society has formalized professionalized and systemized discipling to a point that it seems too complicated to practice What happened to the simple heart to heart ministries of the New Testament In Walk with Me you ll return to the essential biblical practices that help people grow as Christ followers in simple slow and deep ways Learn how you can connect with your neighbors coworkers or anyone you want to reach with the gospel in ways that are relational and Spirit led You ll learn five kingdom principles that will reshape how you can pass on the faith In heart to heart ways By keeping it simple By going slow By building deep By living on mission **Organic Disciples** Kevin G.

Harney, Sherry Harney, 2021-12-28 Could sharing your faith be the secret to developing your spiritual maturity For many followers of Jesus discipleship means doing certain things to deepen our connection with Jesus Christ But our spiritual growth checklists are often disconnected from the mission of reaching a lost world with the gospel message Taking a holistic approach that unites evangelism and discipleship Kevin and Sherry Harney demonstrate how God s plan for our spiritual growth is intimately connected to his mission to the world In Organic Disciples the couple lead ordinary followers of Jesus through seven markers of spiritual maturity showing how simple shifts in our Bible reading prayer community life giving service and other biblical practices can connect us with God s work of reaching people with his love You ll learn Why true spiritual maturity will always lead believers outward to engage the world with the good news and truth of Jesus How to overcome the common roadblocks and false narratives that stand in the way of spiritual maturity How to design a personal pathway of growth to be more like Jesus in character and mission Along with the Organic Disciples book churches and individuals can utilize a free self directed online tool at OrganicOutreach.com to help each person identify where they are in

**Organically** Don Detrick,2013-04-12 Follow me These two simple words spoken by Jesus are often needlessly complicated with theological psychological and sociological interpretations Using metaphors from organic farming Don Detrick believes that a less complicated organic approach for growing disciples makes sense Maybe Jesus just wants us to simply accept the clear invitation to follow him and experience the excitement and adventure of the journey Don s powerful book on spiritual formation is uniquely positioned for such a time as this in the church as younger generations are discovering that bigger churches do not guarantee spiritual formation in the life of attendees nor do they equate greater numbers with greater levels of spiritual passion Growing Disciples Organically addresses these honest questions Why don t people act more like Jesus after spending a lifetime attending or actively engaged in a local church Why can t we see that another sermon or class

however well intentioned may not result in significant spiritual growth Why is it difficult to face the fact that more commitment trying harder or more activity may not result in increased spiritual growth Why are we reluctant to admit that we may not have all the answers This book is intended to help people in church leadership ask How is our present strategy of creating disciples working for us Pastors leaders and any follower of Christ will find Dr Don Detrick s book important and compelling as it offers a fresh approach to effective time proven and biblically based methods for spiritual growth Don Detrick has spent more than thirty years in ministry as a pastor of churches He currently serves as one of three executive officers for a network of more than 300 churches and over 1400 credentialed ministers in the Northwest In this role he serves as CFO oversees credentialing and is involved in speaking conflict management coaching consulting and training pastors and churches In addition he is a board member for his national denomination and an adjunct professor for Northwest University Kirkland WA and the Assemblies of God Theological Seminary Springfield MO Detrick holds a doctor of ministry degree in leadership and master of divinity equiv from the Assemblies of God Theological Seminary a master s degree in counseling from Luther Rice Seminary and a BS in pastoral ministries from Eugene Bible College and a BA in Bible from Baptist Christian College

*Walking as Jesus Walked* Dann L. Spader, 2011-09-01 Jesus must be our model for ministry Sounds obvious right Or is it Jesus in all His humanity and all His divinity shows us the best possible way to live Through the way He lived He modeled the priorities of how to multiply much fruit Following Jesus example His disciples then changed the course of history How then can we follow Jesus example We must study His life How did Jesus pray In what types of relationships did He invest Where were His priorities Can my priorities be His priorities Can I walk like He walked What we do with Jesus MATTERS Global ministry trainer Dann Spader practically and helpfully walks us through 10 weeks of exciting ministry altering study to really begin to walk as Jesus walked

*Cultivating a Life for God* Neil Cole, 1999 Cultivating a Life for God calls upon us to rethink our busy fast paced lives If there is a stirring in your soul for something more in your spiritual journey take a risk on what God might do in and through your life Discover the compassion that comes from heaven and can be experienced in a Life Transformation Group LTG You may never be the same again The Life Transformation Group system is a grass roots tool for growth Through this simple system the most essential elements of vital spiritual ministry are released to common Christians without the need for specialized training It taps the disciple s internal motivation and provides the support needed to grow in the essentials of a spiritual life The LTG empowers the common Christian to do the uncommon work of reproductive discipling page 63 In my years of ministry I have not found any method that produces such powerful results in fulfilling the Great Commission I personally plan on using this system for the rest of my life to make as many disciples of the kingdom as I can before Christ calls me home Neil Cole page 89 See more at <http://www.cmaresources.org/cultivating-a-life-for-god>
