The Wild Marsh Four Seasons At Home In Montana:

The Wild Marsh Rick Bass, 2009 An exuberant nuanced celebration of the passing of a year in Rick Bass's beloved Yaak Valley a new classic from the acclaimed nature writer The Wild Marsh Rick Bass, 2018-06-01 An account of one year in the Yaak Valley wilderness range by the acclaimed naturalist and memoirist Beginning with his family settling in for the long northwestern Montana winter and capturing all the subtle harbingers of change that mark each passing month the initial cruel teasing of spring the splendor and fecundity of summer and the bittersweet memories evoked by fall this is a beautiful evocation of the fauna flora and folks in this rugged and spectacular landscape Publishers Weekly starred review It is full of rich observation about what it takes to live in the valley toughness improvisation and of course duct tape The Wild Marsh is also poignant especially as the author reflects on what it means for his young daughters to grow up surrounded by the strangeness and wonder of nature He shares with them the Yaak's little secrets where the huckleberries are best in a dry year where to find a grizzly's claw marks in an old cedar and discovers that passing on this intimate local knowledge the knowledge of home is a kind of rare and valuable love Bass emerges not just as a writer but as a father a neighbor and a gifted observer uniquely able to bring us close to the drama and sanctity of small things ensuring that though the wilderness is increasingly at risk the voice of the wilderness will not disappear A work of wonder praise and thanksgiving for all the marvels of nature where every aspect is connected and every process has its place Bass grounding his book in science well takes the facts and transforms them as a musician transforms musical notes into a work of great beauty This walk through a year is a walk through the author's soul filled with passions dreams fears and the exuberance of Walt Whitman School Library Journal starred review Whether the topic is a forest fire in his front yard or the excitement of the first tiny cheerful glacier lilies in spring Rick Bass is a stirring companion on the trail that leads west from the Walden Pond of Henry David Thoreau and the Sand County of Aldo Leopold Ivan Doig author of *The Whistling Season* **Views from the Loft** Daniel Slager, 2010-07-01 Packed with inspirational useful and thought provoking essays on the craft of writing from some of the best writers around Minneapolis Star Tribune Teachers exercises mentors critiques humor and inspiration these form the fuel all writers need when they get down to work every day For decades the Loft Literary Center has provided this fuel to an enormous community of writers Views from the Loft brings together the collected wisdom of that community its authors students and editors giving anyone the tools and inspiration necessary to thrive in the writing life A who's who of writers on writing ranging from the National Book Award winning poet Mark Doty to Newbery Medal winning children's author Kate DiCamillo and touching on issues as delicate as the representation of family in memoir and as hilarious as a sad epiphany poem mad lib for frustrated poets this book is an essential collection of crucial tips and challenging questions for everyone who puts pen to page The essays and interviews in this book include superstar writers like Rick Bass Michael Cunningham Grace Paley Jim Moore Kathleen Norris Susan Power Susan Straight Bao Phi Marilyn Hacker Shannon Olson R D Zimmerman

Lorna Landvik Vivian Gornick Yehuda Amichai and many more *The Seasons* Luke Fischer, David Macauley, 2021-07-01 Although the seasons have been a perennial theme in literature and art their significance for philosophy and environmental theory has remained largely unexplored This pioneering book demonstrates the ways in which inquiry into the seasons reveals new and illuminating perspectives for philosophy environmental thought anthropology cultural studies aesthetics poetics and literary criticism The Seasons opens up new avenues for research in these fields and provides a valuable resource for teachers and students of the environmental humanities The innovative essays herein address a wide range of seasonal cultures and geographies from the traditional Western model of the four seasons spring summer fall and winter to the Indigenous seasons of Australia and the Arctic Exemplifying the crucial importance of interdisciplinary research The Seasons makes a compelling case for the relevance of the seasons to our daily lives scientific understanding diverse cultural practices and politics *Afield* Robert DeMott, Dave Smith, 2014-11-11 This marvelous collection features stories from some of America's finest and most respected writers about every outdoorsman's favorite and most loyal hunting partner his dog For the first time the stories of acclaimed writers such as Tom Brokaw Howell Raines Rick Bass Sydney Lea Jim Harrison Tom McGuane and Chris Camuto come together in one collection Hunters and non hunters alike will recognize in these poignant tales the universal aspects of owning dogs companionship triumph joy forgiveness and loss The hunter's outdoor spirit meets the writer's passion for detail in these honest fresh pieces of storytelling Here are the days spent on the trail shotgun in hand with Fido on point the thrills and memories that fill the hearts of bird hunters Here is the perfect gift for dog lovers hunters and bibliophiles of every makeup This is a delightful handsome volume that captures the wild spirit of dogs and those who love them Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts We publish books about shotguns rifles handguns target shooting gun collecting self defense archery ammunition knives gunsmithing gun repair and wilderness survival We publish books on deer hunting big game hunting small game hunting wing shooting turkey hunting deer stands duck blinds bow hunting wing shooting hunting dogs and more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home Understory Inga Simpson, 2017-05-30 a controlled and literate work that earns its emotional peaks Saturday Paper a delight The Australian A memoir about staying in one place told through trees by the award winning author of MR WIGG NEST and WHERE THE TREES WERE The understory is where I live alongside these plants and creatures I tend the forest stand at the foot of trees and look up gather what has fallen This is the story of a tree change of escaping suburban Brisbane for a cottage on ten acres in search of a quiet life Of establishing a writer's retreat shortly before the Global Financial Crisis hit and of losing just about everything when it did It is also the story of what the author found there the beauty of nature and her own path as a writer Understory is a memoir about staying in one place told through trees by the award winning author

of MR WIGG NEST and WHERE THE TREES WERE Something powerful takes hold of the reader and transports you to the forest floor in a kind of awe Sydney Morning Herald I love the way the reader gets lost in the trees and then lost in Inga's life and then lost in the trees again Understory feels so rich and nourishing as if the restorative power of the Australian bush is transmitted through her words Richard Glover bestselling author and radio presenter a fine addition to the genre of Australian nature writing Books Publishing Includes an extract from Simpson's next transporting novel The Last Woman in the World

Platte River Rick Bass, 2019-04-16 Available again an acclaimed collection from an American master that USA Today called Powerful lyrical vivid engaging Originally published twenty five years ago Platte River is one of the early collections that established Rick Bass's reputation as a master of the short form and one of the best writers of his generation It contains three novellas of contemporary America each informed by the mysteries of nature and the heart Set along borders both physical and immaterial all of the novellas combine a spare but radiant naturalism with an outsize aspiration to folklore or myth In the title story a former pro linebacker living a simple isolated life in the Canadian woods just across the border from Montana struggles with his artist girlfriend's desire to escape Invited by his best friend from their college football days to give a talk at the school where the friend now teaches he flies to northern Michigan In the class the next morning after a night fishing party on the Platte River what he learns brings acceptance and a kind of salvation In Mahatma Joe a despairing evangelist living in a valley that was once so wild the people would go naked when the Chinook winds blew announcing winter's end throws his fervor into planting a garden along the river bringing purpose to the young woman who had camped there Field Events the most comic of the stories begins when two athlete brothers spy an enormous muscled man swimming in the river hauling a canoe loaded with cast iron Their plan to train him in the discus meets with complications when the giant and their older sister find in each other the missing part that neither could articulate

Nature's Writers Donald S. Clark, 2024-09-03 A photographic celebration of the landscapes that have influenced some of America's most important nature writers from John Muir to Terry Tempest Williams to Barbara Kingsolver Since 2019 Donald S Clark has documented the places that have been instrumental in influencing the lives and words of both historic and contemporary nature and environmental writers throughout the United States While we have always felt their passionate connection to their own environments no book has ever made this visual connection between writers and their land before the relationship between prose and place Featuring more than 40 of America's most important writers the content is as far reaching as America itself from sea to shining sea forest to prairie and mountain to coastline Accompanying each gallery of stunning photography is a selected excerpt by the writer about their land With the increasingly noticeable effects of climate change the significance of these writers and their personal connections to the environment is even more timely This unique and compelling story of the land and how it has inspired some of our greatest poets and authors will make a wonderful gift for budding environmentalists students of nature writing or anyone interested in conservation
