The New Heart of Wisdom Geshe Kelsang Gyatso, 2012-07-26 This special presentation of Buddha's teachings by the author of *Modern Buddhism* offers truly liberating insights and advice for the contemporary reader It reveals the profound meaning of the very heart of Buddha's teachings the Perfection of Wisdom Sutras The author shows how all our problems and suffering come from our ignorance of the ultimate nature of things and how we can abandon this ignorance and come to enjoy pure lasting happiness by developing a special wisdom associated with compassion for all living beings Many people are very intelligent in accomplishing worldly attainments This intelligence is not wisdom because worldly attainments such as a high position reputation wealth and success in business are deceptive If we die tomorrow they will disappear tomorrow and nothing will be left for our future Wisdom however will never deceive us It is our inner Spiritual Guide who leads us to the correct path It is the divine eye through which we can see what we should know what we should abandon what we should practise and what we should attain Venerable Geshe Kelsang Gyatso Rinpoche

make the practical connection between spiritual theory and meditation as a lifestyle **The Heart of Buddhism** Guy Claxton,1992 An excellent introduction to Buddhism as a spiritual practice for a secular age and how it can be applied to daily living in the stress filled 1990s Buddhism offers a practical comprehensive way to achieve peace of mind and generosity of spirit and thus improve the quality of everyday life This accessible introduction explains why Buddhism is so appropriate to our individual social and global predicament The Opening of the Wisdom-Eye Dalai Lama,1966-01-01 Mahayana Buddhism explained by the present day spiritual leader of Tibetan Buddhism H H the Dalai Lama Tenzin Gyatso in his first English language book This overview is notable for its completeness and clarity Katherine Rogers author of The Garland of Mahamudra Practices His Holiness the 14th Dalai Lama Tenzin Gyatso is both the head of state and the spiritual leader of Tibet **The Wisdom of James** John P. Keenan,2005 In this fascinating book John Keenan offers a classical commentary on the New Testament Letter of James section by section informed by a thorough study of contemporary Jamesian scholarship His approach is unique in that it employs Mahayana Buddhist Philosophy as the interpretive lens to focus on this early Christian text The author argues that the first chapter of James letter presents wisdom as non discriminative in a manner very similar to Mahayana Buddhist teaching on wisdom And James insistence upon deeds of compassion and justice recommends a notion of Christian practice that is quite close to the Mahayana ideal of Bodhisattva engagement in the world Because of these areas of resonance James is particularly amenable to a Mahayana reading a reading that enables us to elicit fresh insights from the text **Buddhism Day by Day** Daisaku Ikeda,2006 With brief easily absorbed wisdom from the precepts of Nichiren a 13th century Buddhist priest this collection of day to day musings can be enjoyed by casual readers and devoted followers alike Covering a wide span of topics from life and death to courage and winning the practical information and encouragement are ideal for those seeking to find a deeper understanding of this ancient philosophy The Buddha before Buddhism Gil Fronsdal,2016-11-29 This easy to understand translation of one of the earliest surviving Buddhist texts offers a pathway to awakening that is simple straightforward and free of religious doctrine One of the earliest of all Buddhist texts the Atthakavagga or Book of Eights is a remarkable document not only because it comes from the earliest strain of the literature before the Buddha as the title suggests came to be thought of as a Buddhist but also because its approach to awakening is so simple and free of adherence to any kind of ideology Instead the Atthakavagga points to a direct and simple approach for attaining peace without requiring the adherence to doctrine The value of the teachings it contains is not in the profundity of their philosophy or in their authority as scripture rather the value is found in the results they bring to those who live by them Instead of doctrines to be believed the Book of Eights describes means or practices for realizing peace Gil Fronsdal's rigorous translation with commentary reveals the text to be of interest not only to Buddhists but also to the ever growing demographic of spiritual but not religious who seek a spiritual life outside the structures of religion Ocean of Nectar Geshe Kelsang Gyatso,2000 Ocean of Nectar is first complete commentary in English to

Chandrakirti's classic Guide to the Middle Way one of the most important scriptures in Mahayan Buddhism and regarded to this day as the principal text on emptiness the ultimate nature of reality In this long awaited major work Geshe Kelsang provides an entirely new translation of Chandrakirti's verse masterpiece and explains with outstanding clarity the philosophical reasoning establishing Buddha's most profound view of the middle way **The Ocean of Buddhist Wisdom** Indian Society for Buddhist Studies.
