The Wonder Working God Seeing The Glory Of Jesus In His Miracles:

The Wonder-Working God Jared C. Wilson, 2014-07-31 Do you believe in miracles Walking on water Multiplying the fish and the loaves Raising Lazarus from the dead The miracles of Jesus may be well known but they re often misunderstood In The Wonder Working God pastor Jared Wilson wants to help us see that there s more than meets the eye when it comes to the miraculous events recorded in the Gospels From the humble wonder of the incarnation to the blinding glory of the transfiguration this book shows how Jesus s miracles reveal his divinity authority and ultimate mission restoring us and this world to a right relationship with God Relovutionary Jonathon William King, 2020-09-18 RELOVUTIONARY clearly demonstrates that Jonny King has something of value to say to the church in these days I commend his book to you Jeff Crosby Publisher InterVarsity Press USA PHILOSOPHY FOR TRUE HUMAN FLOURISHING Each person without exception is desperate for flourishing Every individual hungers and aches to live an expression of the good life This compulsion inside is as automatic as it is intuitive This general human longing reflects a common drive for meaning and not just for the Christian Still most intimately know they can t entirely do life their way Whilst the majority readily confess they haven t the sufficient means or even the necessary power After all look at what happens when a global pandemic shuts down life The fact we rarely arrive at contented satisfaction becomes life s own rolling stone Do you have a present vision Are you confident of the process What about any worthwhile or ultimate goal This living challenge becomes even more practically specific for the Christian What if someone asked you for the content of a faithful and fruitful life for Christ What would you say Now factor in these challenging and confronting cultural times How would you reply After all you sincerely love Jesus and passionately want to live for Him which means you re entirely motivated to offer something not only realistic but true But can you The good news is that in your hands contain the opening lines where RELOVUTIONARY intends to be your own personal guide Volume One introduces this idea setting the coordinates for the reader s unfolding navigation The context is huge only increasing any anticipation on this series comprehensive value This Is Your Life has been genuinely engineered for any curious reader wanting an answer to the absurdity of existence and for every genuine follower of Jesus Christ determined to live a life worthy of His calling There is no greater promise or purpose than living for Jesus no matter age stage time or place which means there should be no further reading delay WELCOME TO THE LIFE RELOVUXIONARY The Story of Everything Jared C. Wilson, 2015-10-14 Most of life is mundane work school home TV church sleep repeat Sometimes it seem as if there s no point to our normal lives But what we must remember is that we re actually part of something huge God s story the greatest story ever told In The Story of Everything Jared Wilson takes readers on a journey that starts before the creation of the world and ends after everything has been made new Wilson shows us that the gospel isn t just a ticket to heaven but God s incredible and unstoppable vision for all of creation Looking at God s redemptive plan for humanity this book will help you understand what the gospel means for your life your home your pets your hobbies and more The

Gospel-Driven Church Jared C. Wilson, 2019-03-12 Many evangelical churches face the problem of the open back door even as new people arrive older members are leaving looking for something else Combined with this problem is the discipleship deficit the difficult truth that most evangelicals are not reaching the unchurched at the rates they think they are In fact many of the metrics that we often count in the church to highlight success really don't tell us the full story of a church's spiritual state Things like attendance decisions dollars and experiences can tell us something about a church but not everything To cultivate a spiritually healthy church we need a shift in our metrics a grace shift that prioritizes the work of God in the lives of people over numbers and dollars Are people growing in their esteem for Jesus Is there a dogged devotion to the Bible as the ultimate authority for life Is there a growing interest in theology and doctrine A discernible spirit of repentance And perhaps most importantly is there evident love for God and for our neighbors in the congregation Leading a church culture to shift from numerical success to the metrics of grace can be costly but leaders who have conviction courage and commitment can lead while avoiding some of the landmines that often destroy churches Wilson includes diagnostic questions that will help leaders measure and lead team transparency in measuring as a group the relative spiritual health of their church as well as a practical prescriptive plan for implementing this metric measuring strategy without becoming legalistic Most attractional church models can lean heavily on making changes to the weekend worship gatherings And while some of these changes can be good thriving grace focused churches are driven by a commitment to the gospel allowing the gospel to inform and shape the worship service and the various ministries of the church
