The Word Before The Powers An Ethic Of Preaching:

The Word Before the Powers Charles L. Campbell, 2002-01-01 In this examination of the ethical significance of preaching Charles Campbell provides both fresh insights into the relationship between preaching and ethics and a challenging moral vision for the contemporary church Moving beyond a narrow focus on moral decision making or social issues sermons Campbell argues that a particular ethic nonviolent resistance is inherent in the practice of preaching and shapes the moral life of the church In the face of the powers the fundamental ethical task of preaching involves building up the church as a community of resistance Employing three dimensions of character ethics vision practices and virtues Campbell demonstrates the concrete ways in which preachers may undertake this task *Ways of the Word* Sally A. Brown, Luke A.

Powery, 2016-05-19 Preaching and the discipline of preaching is at a crossroads The changing realities of church and theological education the diversity of our classrooms and our increasingly complex community contexts leave us in search of tools to help train a rising generation of preachers for a future whose contours are far from clear The questions are immense How to support preachers in contexts that are diverse religiously culturally and ethnically both inside and outside the church How to help students take varied contexts seriously as they are formed as leaders In *Ways of the Word* a dynamic team of master preachers brings much needed help Different in race gender age and tradition both Sally A Brown and Luke A Powery speak with one voice their belief that preaching is Spirit empowered event an embodied vocalized actively received here and now witness to the ongoing work of God in the world They aspire to help students and preachers alike to reflect on a journey of learning by doing They aim to help preachers to become more attuned to the Spirit more adept in preaching s component skills and more self aware about all that is at stake in proclaiming the redemptive work of God in specific contexts

Preaching Words John S. McClure, 2007-01-01 John McClure s *Preaching Word* highlights the most important ideas in homiletics and preaching offering short explanations of these ideas what scholars of preaching are saying about them and how they can help in today s preaching Topics range from elements of the sermon introduction body and conclusion to aspects of delivery types of preaching in different Christian traditions and theories of preaching **Narrative Reading,**

Campbell,2021-10-26 Through its shocking incongruities and transgressive forms this grotesque offers an intriguing lens for exploring the scandal of the gospel and the challenges of Christian preaching Drawing on diverse sources from Swedish crime fiction and contemporary poetry to James Cone Harriet Beecher Stowe and Pussy Riot this book will examine the theological homiletical and social implications of a grotesque gospel for contemporary preachers The book focuses on three aspects of preaching and the grotesque 1 the ways in which a grotesque gospel unsettles the preacher and challenges the false patterns that often shape Christian preaching 2 the importance and challenges of resisting the weaponized grotesque which dehumanizes people and furthers the power of dominant groups 3 the incarnate Word as the carnivalesque grotesque body of Jesus which calls the church to become the porous and inclusive body of Christ The Scandal of the Gospel is the written adaptation of Yale Divinity School s Beecher Lectures given by Charles Campbell in 2018 The last chapter Preaching and the Environmental Grotesque is a new addition International Bibliography of Book Reviews of Scholarly Literature Chiefly in the Fields of Arts and Humanities and the Social Sciences ,2002 **American Book Publishing Record** ,2003 **Subject Guide to Books in Print** ,1991 **Fundamentalist Journal** ,1983 **Dietrich Bonhoeffer and Christian Ethics** Susan Frank Parsons,2005 *The Sabbath Recorder* ,1923 *The Constructive Quarterly* ,1918 **Christian Nation** ,1927 The Conservator ,1892 *Christian Advocate* ,1921 *Plymouth Pulpit* Henry Ward Beecher,1890
