Waller, 2010-10-01 With a legacy stretching back into legend and folklore the vampire in all its guises haunts the film and fiction of the twentieth century and remains the most enduring of all the monstrous threats that roam the landscapes of horror In The Living and the Undead Gregory A Waller shows why this creature continues to fascinate us and why every generation reshapes the story of the violent confrontation between the living and the undead to fit new times Examining a broad range of novels stories plays films and made for television movies Waller focuses upon a series of interrelated texts Bram Stoker's *Dracula* 1897 several film adaptations of Stoker's novel F W Murnau's *Nosferatu A Symphony of Horror* 1922 Richard Matheson's *I Am Legend* 1954 Stephen King's *Salem's Lot* 1975 Werner Herzog's *Nosferatu the Vampyre* 1979 and George Romero's *Night of the Living Dead* 1968 and *Dawn of the Dead* 1979 All of these works Waller argues speak to our understanding and fear of evil and chaos of desire and egotism of slavish dependence and masterful control This paperback edition of The Living and the Undead features a new preface in which Waller positions his analysis in relation to the explosion of vampire and zombie films fiction and criticism in the past twenty five years

Psychoanalysis and Hidden Narrative in Film Trevor C. Pederson, 2018-10-25 Psychoanalysis and Hidden Narrative in Film proposes a way of constructing hidden psychological narratives of popular film and novels Instead of offering interpretations of classic films Trevor C Pederson recognizes that the psychoanalytic tradition began with making sense of the seemingly inconsequential Here he turns his attention to popular films like Joel Schumacher's *The Lost Boys* 1987 While masterworks like *Psycho* 1960 are not the object of interpretation Hitchcock's film is used as a skeleton key The revelation that Norman Bates character had been his mother all along suggests a framework of reading a film as having symptom characters who are excised to create a latent plot The symptom character's behavior or inter relations are then transcribed to an ego character This is a shift in the tradition of literary doubling from hermeneutic intuition to a formal methodology that generates data for the unconscious Pederson continues the project of unifying competing schools into a single model of mind and offers clinical examples from his own practice for all its terms Psychodynamic techniques that emphasize the importance of working with the body the id and the ubiquity of repetition are introduced A return to Freud's structural theory in which complexes are anchored in the stages of superego development is used to carefully plot and explain the

social nature of the superego and its relation to authority in society secondary narcissism and the otherworldly primary narcissism Discrete phases of superego development and their ties to both the social and the id revive the grand promises of classical psychoanalysis to link with every field in the humanities Psychoanalysis and Hidden Narrative in Film will appeal to psychoanalysts and psychoanalytic psychotherapists as well as scholars of film studies and literature interested in using a psychoanalytic approach and ideas in their work The Palgrave Handbook of the Vampire Simon Bacon,2024-04-16 Winner of the The Lord Ruthven Assembly Award for Non Fiction 2024 This Handbook MRW is a unique encompassing overview of the figure of the vampire Not only covering the list of usual suspects this volume provides coverage from the very first reports of vampire like creatures in the 17th century to film and media representations in the 21st century The Palgrave Handbook of the Vampire shows that what you thought you knew about vampires is only a fraction of the real and fascinating story The Yukon Glory Jake Ziemba,2008-06 The book which you hold in your hand like its protagonist belongs to a rare and terrifying breed Jake Ziemba s eminently promising first novel The Yukon Glory written throughout the author s struggle with rare blood disease PNH blends raw emotion intense violence rich conceptualization and sensitive characterization to create one of the most brilliant works of phantasmagoria in the past several decades It is a tale of a man s will destroyed by his bloodlust against a backdrop of viral holocaust in an alternate 1970 s America Along the way there are cameo appearances from such historically unsavory individuals as Richard Nixon and Adolf Hitler as well as vampires participants in the French Revolution fiery demon people and a whole society turned insectoid in its rage and confusion Conceptually innovative and stylistically arresting this book is sure to become renowned Dead Mount Death Play, Chapter 119 Ryohgo Narita,2024-07-05 Having gathered everyone around Majiri has a tale of royalty family and loss to share But that s not all she s brought as she stands poised to introduce a new assassin to her family s ranks Read the next chapter of Dead Mount Death Play the same day as Japan *Transnational Horror* Cüneyt Çakırlar,2025-01-20 Adopting a multi method critical approach to the global revival of folklore themed horror media Transnational Horror contests Anglophone film scholarship s widespread adherence to its own film historical canons Navigating alternative meanings of folk horror and locating these meanings within a transnational framework the volume proposes a curatorial paradigm of critical transnationalism in the study of global film cultures and genre formations The book proposes an alternative genealogy of horror media a genealogy that decolonises in provincialising the dominant film historical canons associated with the horror genre and contributes to the formation of a transnational field of horror criticism that troubles the normative geopolitics of canonisation in film and genre studies Through diverse accounts of scale and regionality as categorical markers of screen media the contributors to the volume develop critical tools to address the mobility of folk horror as mode and as genre which operates within and beyond the normative registers of national belonging **Handbook of Death and Dying** Clifton D.
