opportunity and need for women in the west He shows them a paper called Matrimonial News filled with photos of men looking for women to start a new life with He was looking to benefit by capitalizing on the disproportionate amount of men to women in the West by telling them that if they agreed to it everyone was a winner Eliza is skeptical having a hard time accepting that marriage should be about social and economic security alone but her older sister Maggie who she has always taken care of and couldn't imagine life without is excited at the prospect With much prompting from their mother who is now a widow thanks to the war the girls begin their journey west armed with a few dollars a trunk full of possessions memories of a former life and a handful of letters from their intendeds Maggie is enthralled with Charles the man she plans to marry Eliza however is harder to impress Not only does she have concerns about Charles what happens when she finds out that her own betrothed has a history of treason to the country she loves As Maggie prepares for her wedding and her life as a bride Eliza struggles with doubts and questions and discovers along the way that sometimes the unknown isn't always a bad thing As the gold rush drew men like flies to the West the Civil War was killing off hundreds of thousands in the East The women in the East were left with few men to choose from when it came time to be a bride and little job opportunity when one realized she was now a widow The loneliness also came then with the social stigma of being a spinster Out West only a few of the hopeful prospectors were striking it rich but many of them stayed on anyway to do things like mining for others farming and ranching There was even ample opportunity to open and prosper from a new business The only thing these men were lacking to create a family and build communities were wives Enter the mail order bride the supply from the East that would meet the demand in the West

Can a vampire dance and shoot at the same time? Vampire bounty hunter Nathaniel Newburg follows his mark into Nocturne Falls, a place where it's easy for anyone to hide and blend in. At first it seems as though he has his prey cornered only to confront a beautiful feline shifter, Camille Nahuel. Instead she dances around the floor with sultry steps, instructing a ballroom class and dances around his heart even faster. Oh, tango, the game is on. Can Nathaniel control his annoyance long enough to finish his job and save his love? *The Shaman Charms*. The shifter leopard shifter Sasha Weisberg arrives in Nocturne Falls hoping someone in the town of supernaturals might be able to undo the spell an angry ex-friend put on her. Otherwise she's doomed to live most of every day as a bird with only three precious hours each day to enjoy her human form and her snow leopard not at all. An archangel friend convinces Kianso Kane to travel to Nocturne Falls for a weekend of rest and relaxation. From the onset of the trip his shaman calling challenged him to return to his Hawaiian roots and acknowledged his shaman birthright. His instincts led him right to Sasha and he knew straightaway she was his true love. But she was caught in a maelstrom of a witches' curse. And until she was free she couldn't be completely his. They have one chance on Samhain to undo the curse or else her next chance won't be for nineteen years. Can she trust Kianso and his visions? **Alice in Winterland** Annie Lane, 2015-08-25 All Alice Hamilton wants is a happy family life.
