The Vatican Pimpernel The Wartime Exploits Of Monsignor Hugh Oflaherty

Stuart Pearson

The Vatican Pimpernel The Wartime Exploits Of Monsignor Hugh Oflaherty:

The Vatican Pimpernel Brian Fleming, 2012-08-01 During the German occupation of Rome from 1942 1944 Irishman Monsignor Hugh O Flaherty ran an escape organization for Allied POWs and civilians including Jews Safe within the Vatican state he regularly ventured out in disguise to continue his mission which earned him the nickname the Pimpernel of the Vatican When the Allies entered Rome he and his collaborators priests nuns and laypeople of numerous nationalities and religious beliefs had saved the lives of over 6 500 people The first new telling of this extraordinary story in decades this book also addresses the fascinating dichotomy between O Flaherty and Herbert Kappler the Gestapo chief in Rome who ordered him killed and who after the war reconciled with the monsignor and even asked him to perform his baptism For his heroic efforts O Flaherty was awarded the highest honors including a Congressional Medal and was the first Irishman named the Notary of the Holy Office His story was immortalized in the 1983 film *The Scarlet and the Black* which starred Gregory Peck as O Flaherty

The Vatican Pimpernel ,2008

The Vatican Pimpernel Brian Fleming, 2012-10-01 During the German occupation of Rome from 1942 1944 Irishman Monsignor Hugh O Flaherty ran an escape organization for Allied POWs and civilians including Jews Safe within the Vatican state he regularly ventured out in disguise to continue his mission which earned him the nickname the Pimpernel of the Vatican When the Allies entered Rome he and his collaborators priests nuns and laypeople of numerous nationalities and religious beliefs had saved the lives of over 6 500 people The first new telling of this extraordinary story in decades this book also addresses the fascinating dichotomy between O Flaherty and Herbert Kappler the Gestapo chief in Rome who ordered him killed and who after the war reconciled with the monsignor and even asked him to perform his baptism For his heroic efforts O Flaherty was awarded the highest honors including a Congressional Medal and was the first Irishman named the Notary of the Holy Office His story was immortalized in the 1983 film *The Scarlet and the Black* which starred Gregory Peck as O Flaherty

Hide & Seek Stephen Walker, 2012-05-01 *Hide & Seek* chronicles the intensely personal war between wartime Rome s Nazi SS Chief Herbert Kappler and the Vatican s Monsignor Hugh O Flaherty a fiercely fought rivalry that culminated in Kappler attempting to kidnap and murder his Irish opponent who was determined to fight Rome s Nazi rulers Called Ireland s Oscar Schindler O Flaherty masterminded a large scale operation from inside the neutral Vatican to hide and help Jews downed airmen and escaped Allied prisoners Using safe houses and church buildings the priest sheltered around five hundred Jews in the Holy See and many thousands more Jews and Allied escapees in and around Rome After a Resistance bomb killed thirty two German soldiers an enraged Hitler ordered revenge Kappler planned and oversaw the firing squad execution of 335 people in the Ardeatine Caves outside Rome The massacre became the worst atrocity committed on Italian soil during the war After the war the Nazi colonel was found guilty on all the charges relating to the massacre and sentenced to life Amazingly O Flaherty began visiting his former rival in prison engaging in a long run conversation that led to Kappler s conversion and baptism by the Irish Monsignor Irish

Government Policy and Public Opinion towards German-Speaking Refugees, 1933-1943 Siobhán O'Connor, 2017-06-23 This book investigates the first time Ireland with an autonomous legislative parliament met with large inward migration in the modern era In 1933 Ireland was a young state in its turbulent teens attempting to establish itself on the international stage The people were scarred by recent memories of revolution a War of Independence and a civil war but they had lived through 10 years of relative peace Two influential statesmen came to power in their respective countries de Valera in Ireland and Hitler in Germany Due to the latter a large scale movement of people began Ireland under the leadership of de Valera with the civil service established before him and a diverse population living there had an unprecedented inward migratory issue to address This book looks at the role of the civil service at home and abroad its development and implementation of government policy and its involvement with international efforts to address the movement of German speaking exiles fleeing the expanding National Socialist territory It also explores the experiences of people around Ireland as they learn about the people fleeing and their responses to them This study lays bare the foundation stone in the history of Ireland's policy and public opinion toward inward migration and allows us to understand the treatment of and reaction towards migration today The impact of that fledgling refugee policy as examined here continues to echo in the current experiences of those fleeing persecution and war and those set to receive them

Great Irish Heroes - Fifty Irishmen and Women Who Shaped the World Stuart Pearson, 2016-04-07 How did the Irish independence movement lead directly to the invention of the modern submarine Who was the Irish Queen of Paraguay whose delusions of grandeur caused the destruction of her adopted country Who escaped execution for participating in the Easter Rising of 1916 only to go on and be elected to the UK Parliament in London Whose belief in reform through non violent means became the inspiration for Mahatma Ghandi Nelson Mandela and Martin Luther King The answers to these questions and more can be found in the pages of Great Irish Heroes covering over a thousand years of Irish history and encompassing outstanding leaders in a broad range of pursuits including literature mathematics sport religion entertainment and politics Ireland has for centuries produced a great number of exceptional heroic men and women far out of proportion to the island's small population and geographical size It is also true to say that few nations have been so shaped by their history a history with which the country still resonates today In this companion volume to his Great Scottish Heroes Stuart Pearson examines the lives and careers of fifty of the greatest Irishmen and women from St Columba to Brian O Driscoll Brian Boru to Pierce Brosnan In doing so he shows how this remarkable island race has contributed so much to our world and continues to do so to this day

The Pope's Soldiers David Alvarez, 2011-05-09 Most students of history assume that the age of the warlord popes ended with the Renaissance but long after the victory of Catholic powers at the Battle of Lepanto in 1571 the Papacy continued to entangle itself in martial affairs The Vatican participated in six major military campaigns between 1796 and 1870 flew the papal flag over a warship as late as 1878 and during the Second World War mobilized more than 2 000 of its own troops to defend the Pope David Alvarez now

opens up this little known aspect of the Papacy in the first general history of the papal armed forces. This is the first book in English to provide a comprehensive chronicle of the modern Vatican's military and security forces from 1796 when the armies of revolutionary France invaded the Papal States through the wars for unification to the present day deployment of modern weapons technology and skills to protect the Holy Father and the Vatican from terrorists and assassins. Most papal histories make little reference to military affairs while the few that address them do so only in passing or focus narrowly on particular units or campaigns. Alvarez's history expands our understanding of the Papacy's military through the exceptional research he has done as the first American scholar to gain access to the archive of the Pontifical Swiss Guard and the modern military records in the Vatican Secret Archive. He is also the first historian of any nationality to use the records of the Vatican Gendarmeria. Alvarez chronicles the exploits of the Vatican's military leaders and soldiers in their campaigns and battles focusing on how those units under the Pope's authority including the Vatican navy engaged in actual military operations. He also deals extensively with the Vatican Gendarmeria as well as the Pope's Noble Guards, Palatine Guards and Swiss Guards describing their distinctive responsibilities and revealing the competition and internal tensions that sometimes undermined the morale, preparedness and cohesion of the Pope's guards. Filled with information that will surprise scholars of the Papacy and military historians alike, Alvarez's highly original work illuminates a shadowy corner of Vatican history and will fascinate all readers interested in the role of the church in the broader world.

Resistance Halik Kochanski, 2022-05-24 WINNER OF THE 2023 WOLFSON HISTORY PRIZE New Yorker Best Books of 2022 This is the most comprehensive and best account of resistance I have read. It addresses the story with scholarly objectivity and an absolute lack of sentimentality. So much romantic twaddle is still published it is marvelous to read a study of such breadth and depth which reaches balanced judgments. Max Hastings The Sunday Times UK Resistance is the first book of its kind a monumental history that finally integrates the many resistance movements against Nazi hegemony in Europe into a single sweeping narrative of defiance. To resist therefore But how when and where There were no laws no guidelines no precedents to show the way Dutch resister Herman Friedhoff In every country that fell to the Third Reich during the Second World War from France in the west to parts of the Soviet Union in the east a resistance movement against Nazi domination emerged. And every country that endured occupation created its own fiercely nationalist account of the role of homegrown resistance in its eventual liberation. Halik Kochanski's panoramic prodigiously researched work is a monumental achievement the first book to strip these disparate national histories of myth and nostalgia and to integrate them into a definitive chronicle of the underground war against the Nazis. Bringing to light many powerful and often little known stories Resistance shows how small bands of individuals took actions that could lead not merely to their own deaths but to the liquidation of their families and their entire communities. As Kochanski demonstrates most who joined up were not supermen and superwomen but ordinary people drawn from all walks of life who would not have been expected least of all by themselves to become heroes of any kind. Kochanski also covers the

sheer variety of resistance activities from the clandestine press assistance to Allied servicemen evading capture and the provision of intelligence to the Allies to the more violent manifestations of resistance through sabotage and armed insurrection For many people resistance was not an occupation or an identity but an activity a person would deliver a cache of stolen documents to armed partisans and then seamlessly return to their normal life For Jews under Nazi rule meanwhile the stakes at every point were life and death resistance was less about national restoration than about mere survival Why resist at all Who is the real enemy What kind of future are we risking our lives for These and other questions animated those who resisted With penetrating insight Kochanski reveals that the single quality that defined resistance across borders was resilience despite the constant arrests and executions resistance movements rebuilt themselves time and time again A landmark history that will endure for decades to come Resistance forces every reader to ask themselves yet another question this distinct to our own times What would I have done

The Pope's Jews Gordon Thomas, 2012-10-02 This revelatory account of how the Vatican saved thousands of Jews during WWII shows why history must exonerate Hitler's Pope Accused of being silent during the Holocaust Pope Pius XII and the Vatican of World War II are now exonerated in Gordon Thomas's newest investigative work *The Pope's Jews* Thomas's careful research into new first hand accounts reveal an underground network of priests nuns and citizens that risked their lives daily to protect Roman Jews Investigating assassination plots conspiracies and secret conversions Thomas unveils faked documentation quarantines and more extraordinary actions taken by Catholics and the Vatican *The Pope's Jews* finally answers the great moral question of the War Why did Pope Pius XII refuse to condemn the genocide of Europe's Jews

The Irish in the Resistance Clodagh Finn, John Morgan, 2024-08-29 You simply couldn't stand by with your arms folded These were the words of Samuel Beckett who famously returned to France from a holiday in Ireland when World War II broke out His clandestine work against the Nazi occupation of Europe is well documented but there were many other ordinary Irish people who joined the underground network Some took up arms Others gathered intelligence sheltered fugitives committed acts of sabotage or broke codes This new history tells the stories of those forgotten Irish men and women Discover Captain John Keany from Cork who parachuted into occupied Italy to help the local Resistance Margaret Kelly the Dublin founder of the world famous Bluebell Girls cabaret troupe in Paris who hid her Jewish husband and Catherine Crean the Irish governess born on Moore Street Dublin who was sent to a concentration camp for helping Allied airmen in Belgium These and many more stories span the course of World War II and remind us of the power of individuals to make a difference An eye opening account of how ordinary people caught up in extraordinary situations helped to fight the Nazis David McCullagh A truly important and groundbreaking book Mary Kenny

[Rome – City in Terror](#) Victor Failmezger, 2020-09-17 Victor Failmezger's passion for the city of Rome is matched by his extensive knowledge of its dark recent past Joshua Levine author of *Dunkirk The History Behind the Major Motion Picture* In September 1943 following wave upon wave of Allied bombing Italy announced an armistice with the Allies Shortly afterwards

the German army disarmed Italian forces and despite military and partisan resistance quickly overran Rome Rome City in Terror is a comprehensive history of the nine month long German occupation of the city that followed The Gestapo wasted no time enforcing an iron grip on the city once the occupation was in place They swiftly eliminated the Carabinieri the Italian paramilitary force rounded up thousands of Italians to build extensive defensive lines across Italy and at 5am one morning arrested more than 1 000 Roman Jews and sent them to Auschwitz Resistance however remained strong To aid the thousands of Allied POWs who escaped after the dissolution of the Italian army priests diplomats and escaped ex POWs operating out of the Vatican formed a nationwide organization called the Escape Line More than 4 000 Allied POWs scattered all over Italy were sheltered clothed and fed by these courageous Italians whose lives were forfeit if their activities were discovered Meanwhile as food became scarce and the Gestapo began to raid on homes and institutions Italian partisan fighters launched attack after attack on German military units in the city with the threat of execution never far away This is the compelling story of an Eternal City brought low of the terror and hardship of occupation and of the disparate army of partisan fighters displaced aristocrats Vatican priests Allied POWs and ordinary citizens who battled for the liberation of Rome *Heroes in the Shadows* Brian Fleming,2019-04-15 Extraordinary stories of courage by rescuers of those on the run in fascist Europe This book illustrates the consequences of man made horrors but also the best of humanity in dark times **Silence in the Shadows** Tony Matthews,2025-07-29 The Moment the World Doomed Six Million to Die In July 1938 the United States Great Britain and thirty other countries participated in a vital conference at vian les Bains France to discuss the persecution and possible emigration of the European Jews specifically those caught under the anvil of Nazi atrocities However most of those nations rejected the pleas then being made by the Jewish communities thus condemning them to the Holocaust There is no doubt that the vian conference was a critical turning point in world history The disastrous outcome of the conference set the stage for the murder of six million people Today we live in a world defined by turmoil with a disturbing rise of authoritarian governments and ultra right wing nationalism The plight of refugees is once more powerfully affecting public attitudes towards those most in need Now on the 80th anniversary of the liberation of Auschwitz and the end of the Second World War it s time to reflect on the past to ensure we never again make the same mistakes This book also shines a spotlight on some of the astonishing and courageous stories of heroic efforts of individuals and private organizations who despite the decisions made at vian worked under extremely dangerous conditions frequently giving their own lives to assist in the rescue of the Jewish people This account of the failure of the vian Conference of 1938 to secure a managed and safe emigration of the primarily Jewish populations of Germany and Austria is a frightening indictment of the refuge nations attitude to those peoples Sandra Miller NetGallery Shines a spotlight on some of the astonishing and courageous stories of heroic efforts of individuals and private organisations who despite the decisions made at vian worked under extremely dangerous conditions frequently giving their own lives to assist in the rescue of the Jewish people Araciapod com **Hitler, the War, and the**

Pope, Revised and Expanded Ronald Rychlak, 2010-05-27 Was Pope Pius XII a Nazi Sympathizer For almost fifty years a controversy has raged about Pope Pius XII Was the Pope who had shepherded the Church through World War II a Nazi sympathizer Was he as some have dared call him Hitler's pope Did he do nothing to help the Jewish people in the grips of the Holocaust In a thoroughly researched and meticulously documented analysis of the historical record Ronald Rychlak has gotten past the anger and emotion and uncovered the truth about Pius XII Not only does he refute the accusations against the Pope but for the first time documents how the slanders against him had their roots in a Soviet Communist campaign to discredit him and by extension the Church Let those who doubt but read Rychlak follow his exquisitely organized courtroom like arguments What Professor Rychlak brings to the forum are facts not rhetoric dates not conjecture evidence not slander The world owes Ronald Rychlak a debt for bringing the truth to light Rabbi Eric A Silver In his well crafted pages the portrait that emerges is one of an extraordinary pastor facing extremely vexing circumstances of a holy man vying against an evil man of a human being trying to save the lives of other human beings of a light shining in the darkness John Cardinal O'Connor 1920-2000 Archbishop of New York from the Foreword to the first edition I have read many books on Pius XII and this is by far the most dispassionate in laying out the context relevant facts accusations and evidence pro and con The book is highly engaging because it is filled with so many little known facts The research has been prodigious Yet the presentation is as down to earth as it would have to be in a courtroom This is a wonderfully realistic book Michael Novak George Frederick Jewett Scholar in Religion Philosophy and Public Policy American Enterprise Institute *60 Héroes de la Resistencia y la II Guerra Mundial* Iván Gómez Avilés, 2023-10-19 60 héroes de la Resistencia y la Segunda Guerra Mundial busca dar a conocer de forma sencilla corta y amena los actos heroicos de personas que no dudaron en poner en peligro sus vidas por salvar la de otros Algunos de estos héroes son conocidos para el gran público como el caso de Oskar Schindler pero la mayoría no son tan populares pese a sus importantes actos El libro ha intentado recoger los actos más destacados en los distintos frentes de batalla con héroes de múltiples nacionalidades varios de ellos españoles y acompañar cada biografía con una ficha documental donde poder ampliar la información presentada Es un libro ideal para conocer a estos personajes indicado para todos los públicos y persiguiendo ser un primer acercamiento a la Segunda Guerra Mundial y sus héroes **Resisting the Holocaust** Paul R. Bartrop, 2016-06-06 This book enables readers to learn about upstanders partisans and survivors from first hand perspectives that reveal the many forms of resistance some bold and defiant some subtle to the Nazis during the Holocaust What did those who resisted the Nazis during the 1930s through 1945 known now as the Righteous do when confronted with the Holocaust How did those who resorted to physical acts of resistance to fight the Nazis in the ghettos the concentration camps and the forests summon the courage to form underground groups and organize their efforts This book presents a comprehensive examination of more than 150 remarkable people who said no to the Nazis when confronted by the Holocaust of the Jews They range from people who undertook armed resistance to individuals who risked and sometimes lost their lives

in trying to rescue Jews or spirit them away to safety In many cases the very act of survival in the face of extreme circumstances was a form of resistance This important book explores the many facets of resistance to the Holocaust that took place less than 100 years ago providing valuable insights to any reader seeking evidence of how individuals can remain committed to the maintenance of humanitarian traditions in the darkest of times **Orte der Zuflucht und personeller**
