

the Victorian Age
1837-1901

VICTORIAN LITERATURE

The novel is the literary genre which best represents the ethical, religious and social values of the Victorian Age

the novelist have to explain the great change (fine didactic)

The voice of the
omniscient narrator

structure
divided into
episodes

comment on the plot and erected a barrier between «rights» and «wrong»

didacticism

as the most valid instrument in literature to interpret the human condition in the modern world

there were many different genres

sentimental

adventurous

philosophical

psychological

historical

the novel spreads for several reasons:

to be read and understood by simple people

the main protagonists were the same people

belonged to the same middle class

the setting was the same city where readers lived

the novel was a mirror which reflected society and where a self-identification of the readers was possible

novelists had an important social role

Victorian writers

The setting chosen by most Victorian novelists was the industrial city

Victorian writers can be divided into three groups

the early Victorians

the mid-Victorians

the late Victorians

who dealt with social and humanitarian themes

Charles
Dickens

Brontë
sisters,
George Eliot

Thomas Hardy
Oscar Wilde

The Victorian Age In Literature

Richard Daniel Altick

The Victorian Age In Literature:

The Victorian Age in Literature G. K. Chesterton, Aeterna Press, 2006 I was born a Victorian and sympathise not a little with the serious Victorian Spirit In this engaging and extremely personal account G K Chesterton expounds his views on Victorian literature Many of his opinions reflect the conventions of the age however of the Victorian novel he refreshingly comments it is an art in which women are quite beyond controversy Equally uncompromising about poets and poetry he does not hesitate to call Tennyson a provincial Virgil This book is an important landmark in our understanding of an age which produced some of Britain's most widely enjoyed literature Aeterna Press The Victorian Age in Literature Gilbert Keith Chesterton, 1914 The Victorian Age in Literature by Gilbert Keith Chesterton first published in 1914 is a rare manuscript the original residing in one of the great libraries of the world This book is a reproduction of that original which has been scanned and cleaned by state of the art publishing tools for better readability and enhanced appreciation Restoration Editors mission is to bring long out of print manuscripts back to life Some smudges annotations or unclear text may still exist due to permanent damage to the original work We believe the literary significance of the text justifies offering this reproduction allowing a new generation to appreciate it The Victorian Age in Literature G K Chesterton, 2021-04-10 It has been well and wittily said as illustrating the mildness of English and the violence of French developments that the same Gospel of Rousseau which in France produced the Terror in England produced Sandford and Merton But people forget that in literature the English were by no means restrained by Mr Barlow and that if we turn from politics to art we shall find the two parts peculiarly reversed It would be equally true to say that the same eighteenth century emancipation which in France produced the pictures of David in England produced the pictures of Blake There never were I think men who gave to the imagination so much of the sense of having broken out into the very borderlands of being as did the great English poets of the romantic or revolutionary period than Coleridge in the secret sunlight of the Antarctic where the waters were like witches oils than Keats looking out of those extreme mysterious casements upon that ultimate sea The heroes and criminals of the great French crisis would have been quite as incapable of such imaginative independence as Keats and Coleridge would have been incapable of winning the battle of Wattignies In Paris the tree of liberty was a garden tree clipped very correctly and Robespierre used the razor more regularly than the guillotine Danton who knew and admired English literature would have cursed freely over Kubla Khan and if the Committee of Public Safety had not already executed Shelley as an aristocrat they would certainly have locked him up for a madman Even Herbert the one really vile Revolutionist had he been reproached by English poets with worshipping the Goddess of Reason might legitimately have retorted that it was rather the Goddess of Unreason that they set up to be worshipped Verbally considered Carlyle's French Revolution was more revolutionary than the real French Revolution and if Carrier in an exaggerative phrase empurpled the Loire with carnage Turner almost literally set the Thames on fire *The Victorian Age In Literature* G K Chesterton, 2021-01-01 Embark on a

fascinating exploration of the Victorian Age in Literature with G K Chesterton's illuminating work aptly titled *The Victorian Age in Literature*. Delve into the rich tapestry of Victorian literature uncovering the diverse voices, themes, and styles that defined this remarkable era in literary history. Join G K Chesterton as he guides readers through the literary landscape of the Victorian Age, offering keen insights and astute observations on the major writers, works, and movements that flourished during this transformative period. From the romantic poetry of Tennyson to the social realism of Dickens, Chesterton's analysis sheds light on the enduring legacy of Victorian literature and its profound impact on subsequent generations. Explore the themes and motifs that permeated Victorian literature, from the exploration of morality and social justice to the celebration of nature and the supernatural. Through Chesterton's discerning commentary, readers gain a deeper appreciation for the complexities and contradictions of Victorian society as reflected in the literature of the time. Discover the remarkable achievements of Victorian writers across various genres, including novels, poetry, drama, and essays. From the epic sagas of the Brontë sisters to the satirical wit of Oscar Wilde, Chesterton celebrates the diversity and innovation that characterized Victorian literature, showcasing its enduring relevance and universal appeal. Delve into the lives and personalities of Victorian writers as Chesterton offers glimpses into their personal struggles, triumphs, and literary legacies. Through anecdotes and biographical sketches, readers gain insight into the creative process and inspirations behind some of the most iconic works of Victorian literature. The overall tone of *The Victorian Age in Literature* is one of admiration, reverence, and intellectual curiosity, as Chesterton pays homage to the literary giants of the Victorian era while engaging in lively discussions and debates about their enduring significance. With his characteristic wit and erudition, Chesterton invites readers to join him on a literary journey through one of the most vibrant and influential periods in English literary history. Since its publication, *The Victorian Age in Literature* has been hailed as a classic work of literary criticism, cherished by scholars, students, and enthusiasts alike for its insightful analysis and engaging prose. It continues to serve as an indispensable guide to the vast and varied landscape of Victorian literature, inspiring readers to explore further and delve deeper into this fascinating era. Designed for readers with a passion for literature and a curiosity about history, culture, and society, *The Victorian Age in Literature* offers a captivating blend of scholarship, insight, and entertainment. Whether you're a seasoned scholar or a casual reader, this book promises to enrich your understanding of Victorian literature and its enduring legacy. In conclusion, *The Victorian Age in Literature* by G K Chesterton is more than just a book; it's a literary journey through one of the most vibrant and influential periods in English literature, offering readers a deeper understanding and appreciation of the writers, works, and ideas that shaped the Victorian era and continue to resonate today. Don't miss your chance to explore the riches of Victorian literature with G K Chesterton as your guide. Pick up a copy of *The Victorian Age in Literature* today and embark on a journey of discovery, enlightenment, and literary delight.

The Victorian Age of Literature Harry

Blamires,1988

The Victorian Age in Literature Gilbert Keith Chesterton,1914

The Victorian Period Robin

Gilmour,2014-09-19 This is a thought provoking synthesis of the Victorian period focusing on the themes of science religion politics and art It examines the developments which radically changed the intellectual climate and illustrates how their manifestations permeated Victorian literature The author begins by establishing the social and institutional framework in which intellectual and cultural life developed Special attention is paid to the reform agenda of new groups which challenged traditional society and this perspective informs Gilmour s discussion throughout the book He assesses Victorian religion science and politics in their own terms and in relation to the larger cultural politics of the middle class challenge to traditionalism Familiar topics such as the Oxford Movement and Darwinism are seen afresh and those once neglected areas which are now increasingly important to modern scholars are brought into clear focus such as Victorian agnosticism the politics of gender Englishness and photography The most innovative feature of this compelling study is the prominence given

to the contemporary preoccupation with time The Victorians time hauntedness emerges as the defining feature of their civilisation the remote time of geology and evolution the public time of history the private time of autobiography

Victorian People and Ideas Richard Daniel Altick,1973 The reputation of the Victorian age in England has undergone many vicissitude but it is now higher than ever In this important new study Richard D Altick moves us toward an understanding of the social intellectual and theological crises that Carlyle and Dickens Tennyson and Arnold were daily struggling to solve And the issues were many Altick brings to the discussion of these complicated questions the lively and sensitive intelligence that his many readers have come to expect He includes contemporary illustrations and a full reference index

The Victorian Age in Literature (Annotated) G. K. Chesterton,2016-06-05 I was born a Victorian and sympathise not a little with the serious Victorian Spirit In this engaging and extremely personal account G K Chesterton expounds his views on Victorian literature Many of his opinions reflect the conventions of the age however of the Victorian novel he refreshingly comments it is an art in which women are quite beyond controversy Equally uncompromising about poets and poetry he does not hesitate to call Tennyson a provincial Virgil This book is an important landmark in our understanding of an age which produced some of Britain s most widely enjoyed literature

The book delves into The Victorian Age In Literature. The Victorian Age In Literature is an essential topic that must be grasped by everyone, from students and scholars to the general public.
