King Raven Stephen R. Lawhead, 2011-04-05 A completely reimagined epic of the man known as Robin Hood, available in one volume for the first time. For centuries the legend of Robin Hood and his band of thieves has captivated the imagination. Now the familiar tale takes on new life as it boldly relocates the setting to the Welsh countryside and its dark forests. Hunted like an animal by Norman invaders, Bran ap Brychan, heir to the throne of Elfael, has abandoned his father's kingdom and fled to the greenwood. There, in the primeval forest of the Welsh borders, danger surrounds him for this woodland is a living, breathing entity with mysterious powers and secrets. Bran must find a way to make it his own if he is to survive and become King Raven. From deep in the forest, Bran, Will Scarlet, and Friar Tuck form a daring plan for deliverance, knowing that failure means death for them all and the dreams of the oppressed people of Wales. This acclaimed trilogy, *Hood, Scarlet, Tuck*, conjures up an ancient past and holds a mirror to contemporary realities. Prepare yourself for an epic tale that dares to shatter everything you thought you knew about Robin Hood.

Scarlet Stephen Lawhead, 2008-06-08 After losing everything he owns, forester Will Scarlet embarks on a search for none other than King Raven, whose exploits have already become legendary. After fulfilling his quest and proving himself a skilled and loyal companion, Will joins the heroic archer and his men. Now, however, Will is in prison for a crime he did not commit. His sentence is death by hanging unless he delivers King Raven and his band of cohorts. That, of course, he will never do. Wales is slowly falling under the control of the invading Normans, and King William the Red has given his ruthless barons control of the land. In desperation, the people turn to King Raven and his men for justice and survival in the face of the ever-growing onslaught. From deep in the forest, they form a daring plan for deliverance, knowing that failure means death for them all. Scarlet continues Stephen R. Lawhead's riveting saga that began with the novel *Hood*, which relocated the legend of Robin Hood to the Welsh countryside and its dark forests. Steeped in Celtic mythology and the political intrigue of medieval Britain, Lawhead's trilogy conjures up an ancient past and holds a mirror to contemporary realities. Prepare for an epic tale that dares to shatter everything you thought you knew about Robin Hood.

The Dragon King Saga Steve Lawhead, 1998 The three volumes that comprise this compelling saga begin with *In the Hall of the Dragon King* and follow the fortunes of Quentin, who as a young temple acolyte seeks to overthrow the evil loosed by Necromancer Nimrood and to save Mensandor, the realm of the Dragon King. In the second volume, *The Warlords of Nin*, Quentin once again holds the king's destiny in his hands as the Wolf Star grows greater and the power of the Nin increases, spreading its black terror. In *The Sword and the Flame*, the final volume, Quentin reigns as Dragon King and faces an insidious attack of evil from within himself when Nimrood holds his son hostage.
