authenticity immediate experience that eludes direct representation In addition he provides a clear formal framework with which to identify and classify the features of reconstructive literature by updating the narratological category of metafiction originally established in the 1980s Based on Werner Wolf s observation of a metareferential turn in contemporary arts and media he illustrates how the specific use of metareference results in a renegotiation of the specific patterns of literary communication and claims that this renegotiation can be profitably described with the concept of reconstruction To substantiate this claim in the second half of the book Funk discusses narrative texts that illustrate this transition from postmodern deconstruction to postmillennial reconstruction The analyses take in distinguished and prize winning writers such as Dave Eggers Julian Barnes Jennifer Egan and Jasper Fforde The broad scope of authors featuring writers from the US as well as the UK underlines the fact that the reconstructive tendencies and strategies Funk diagnoses are of universal significance for the intellectual and cultural self image of the global North

The Tropes of Fantasy Fiction Gabrielle Lissauer, 2014-12-24 Comparing various fantasy fiction stories this book shows that it is not the tropes and cliches that make a story good or bad but how the author applies them The book also explores the concept of text versus meta text that is when the story s world and character actions contradict the reader s expectations based on the tropes being used Covering authors from Mercedes Lackey and Brandon Sanderson to Christopher Paolini and Stephenie Meyer the author finds that it is the nature of tropes and the language used that make a fantasy story for bad or good
