The Witness of Preaching Thomas G. Long, 2005-01-01 This thorough revision of this classic text is even clearer and more helpful than the first edition Long has updated the language expanded the key chapter on biblical exegesis and has included more examples of sermon forms illustrations and conclusions

The Witness of Preaching, Third Edition Thomas G. Long, 2016-10-01 This is a newly revised edition of one of the standard introductory preaching textbooks on the market today Beginning with a solid theological basis veteran preacher and best selling author Thomas G Long offers a practical step by step guide to writing a sermon Long centers his approach around the biblical concept of witness To be a preacher Long posits is to be a witness to God s work in the worldone who sees before speaking one whose task is to tell the truth the whole truth and nothing but the truth about what is seen This updated edition freshens up language and anecdotes contains an extensive new analysis of the use of multimedia and its impact on preaching and adds a completely new chapter on plagiarism in preaching Included for the first time are four complete sermons with Long s commentary and analysis The sermons were written and originally preached by Barbara Brown Taylor Cleophus J LaRue Ginger Gaines Cirelli and Edmund Steimle With this third edition The Witness of Preaching reaffirms itself as the essential resource for seminary students as well as new and experienced preachers

The Mission of Preaching Patrick W. T. Johnson, 2015-02-25 We hear plenty of discussion about missional theology missional leadership and missional church planting But what about missional preaching In this groundbreaking work Patrick W T Johnson develops a new missional homiletic to aid preachers in their witness to the gospel of Jesus Christ in this post Christendom world

The Sacramentality of Preaching Todd Townshend, 2009 In the time of the church transformation renewal and the process of coming to faith rely on the symbolic efficacy of speech where God is encountered as a word The Sacramentality of Preaching examines the thought of Louis Marie Chauvet and incorporates it into contemporary homiletical theory in order to bolster and renew Christian proclamation that has an intentionally sacramental character Liturgical preachers will find practical pathways frameworks and common language through the use of this innovative sacramentology

“This is My Body.” A sermon ... Second edition Charles Cator, 1839

The Fully Alive Preacher Mike Graves, 2006-01-01 Mike Graves begins this book with the question If preaching is intended to enliven the church why is it killing so many ministers His answer Because preaching has become divorced from the vitality and diversity of the preacher s daily life He invites preachers to

discover how preaching can be renewing rather than draining Overcoming Sermon Block William Powell Tuck, 2014-04-07 When called on to preach whether you are a pastor or lay preacher do you sometimes find yourself blocked Writer s block is a common complaint from many authors They reach a point sometimes when they simply cannot produce anything worth reading Preachers often encounter this same kind of roadblock when they attempt to prepare sermons William Powell Tuck With this opening sentence Dr Tuck brings his many years of experience as professor and pastor and freely gives some nuts and bolts of sermon preparation and pots and pans essential for effective preaching This book is not about the philosophy or theology of preaching but about preparing for writing and preaching a sermon While the reader may quickly find a solution to this week s sermon Dr Tuck also gives ideas and plans for long term preparation to open a new pathway moving sermons from a burden to a blessing for the writer as well as the intended listener Anyone called to preach can benefit from reading this book **An Introduction to Ministry** Ian S. Markham, Oran E. Warder, 2016-01-19 An Introduction to Ministry is a comprehensive and ecumenical introduction to the craft of ministry for ministers pastors and priests that make up the mainline denominations in the United States Ecumenically focused It offers a grounded account of ministry covering areas such as vocation congregational leadership and cultivation of skills for an effective ministry Covers the key components of the M Div curriculum offering a map and guide to the central skills and issues in training Explores the areas of vocation skills for ministry and issues around congregational leadership Each topic ends with an annotated bibliography providing an indispensable gateway to further study Helps students understand both the distinctive approach of their denomination and the relationship of that approach to other mainline denominations Advocates and defends a generous understanding of the Christian tradition in its openness and commitment to broad conversation *SCM Studyguide: Liturgy, 2nd Edition* Stephen Burns, 2018-09-07 The SCM Studyguide Liturgy 2nd Edition is an introduction to liturgy that considers the basic buliding blocks needed to grasp the subject area It outlines the essential shape and content of Christian worship and explores a range of liturgical dynamics of which both students of liturgy and leaders of liturgy need to be aware This 2nd edition of the popular Studyguide is fully revised updated and expanded The book takes account of new developments in scholarship engages with new contexts for liturgical celebration notably fresh expressions as part of a mixed economy of church encompasses recent revisions in liturgy and seeks to broaden the engagement beyond the British context to consider the wider global context **The Trouble with "Truth through Personality"** Charles W. Fuller, 2010-04-05 In an era when the cult of personality has overtaken the task of preaching Charles W Fuller offers an engaging query into the necessary boundaries between the person of the preacher and the message preached By thoroughly evaluating Phillips Brooks s classic truth through personality definition of preaching Fuller brings to light a substantial error that remains in contemporary homiletics namely the tenuous correlation between Christ s incarnation and Christian preaching Ultimately Fuller asserts a sound evangelical framework for preaching on revelational ontological rhetorical and teleological grounds Preachers who

desire to construct pulpit practice upon a robust evangelical foundation will benefit from Fuller's contribution *Preaching and the Mission of God* David R. Fields, 2023-03-16 In an age divided and skeptical when the true Christian story is often unknown or deeply misunderstood how do we even begin to share the news of Jesus And how might preaching in a local church both equip God's people for their missional task and speak in a way that a weary world can hear and even rejoice in The answer begins with seeing the Bible as a document developed in a missionary context for a missionary purpose This book starts there It begins by examining the Bible as a document of mission that needs to be interpreted through a missional lens It then moves to offer a mission shaped vision for preaching and the needed tools for contextualizing the gospel in our post Christendom setting You'll find short accessible chapters with personal reflection questions as well as three group discussion sections ideal for either a classroom setting a preaching team in a local church or a preacher's guild

The witness of God, 5 sermons Thomas Dehany Bernard, 1863

Privilege the Text! Abraham Kuruvilla, 2013-04-25 Privilege the Text spans the conceptual gap between biblical text and life application by providing a rigorous theological hermeneutic for preaching Kuruvilla describes the theological entity that is the intermediary between ancient text and modern audience and defines its crucial function in determining valid application Based on this hermeneutic he submits a new mode of reading Scripture for preaching a Christiconic interpretation of the biblical text a hermeneutically robust way to understand the depiction of the Second Person of the Trinity in Scripture In addition Kuruvilla's work provides a substantive theology of spiritual formation through preaching what it means to obey God the Christian's responsibility to undertake faith full obedience to divine demand and the incentives for such obedience all integral to understanding the sermon movement from text to application Privilege the Text promises to be useful not only for preachers and students and teachers of homiletics but for all who are interested in the exposition of Scripture that culminates in application for the glory of God

Of Seeds and the People of God Michael P. Knowles, 2015-02-06 Preachers mount the pulpit steps terribly burdened by the conviction that they are somehow responsible for the growth and spiritual well being of their congregants How they ask themselves can mere words communicate the reality of God bring life to a congregation or foster spiritual growth This study argues that effective sermons function much like Jesus parables by bearing witness to divine power Parables and preaching both testify to something beyond themselves to a life giving dynamic that far outstrips the force of words alone Preachers are not go between or gatekeepers for the kingdom of heaven rather they imitate Jesus by dying to themselves in the very act of proclamation relying directly on God for their sermons to bear fruit As well as offering a novel interpretation of Jesus agricultural parables *Of Seeds and the People of God* presents a Christ shaped theology of preaching Beyond exegesis or rhetoric alone faithful proclamation is a question of spirituality of preachers and listeners together yielding to God's gift of new life

A Sermon Workbook Leonara Tubbs Tisdale, Thomas H. Troeger, 2013-10-15 Both experienced and novice preachers need a new approach for sermon development skill building A Sermon Workbook offers a unique and flexible

resource that is instantly accessible and useful for anyone tasked with the proclamation of the Word The workbook format can be used in a linear fashion beginning to end Or readers can pick and choose the chapters to tailor fit their own needs In either case readers build skill upon skill working through inventive and engaging exercises first developed and taught at Yale Divinity School The book addresses the skills and arts that are essential for effective preaching in our multi tasking multi ethnic sound bite society It offers theological clarity about why we preach and what matters most The creative collaborative and charming authors present the principles as they do in their classroom in two voices one male and one female with the two complementing and supporting one another

The Present Preacher Liz Shercliff, Matt Allen, 2021-09-30 Good preaching depends on being attentive to God to the Bible to the congregation to the context to what influences and shapes the preacher This practical confidence building guide is for all who want to develop their preaching by homing in on that which points to God in the now Encouraging preachers in the ways that will make authentic connections with others it demonstrates that preaching in today s culture requires preachers to show up and be present in person rather than speak in role or act as religious spokespersons who take no responsibility for their message Based on the authors own training of ordinands it offers Insights on how to develop the habit of noticing God in the world Strategies for opening up and finding fresh meaning in familiar Bible texts Ways of understanding what influences your congregation and your own theology Sample sermons that embody these principles

The Rhetoric of the Gospel, Second Edition C.
