The Word of the Lord Grows Martin H. Franzmann, 2003 Links the proclamation of the Gospel and the growth of the Christian church with the living voice of God **The Ministry of the Word, Vol. 23, No. 02** Various Authors, 2019-02-01

This issue of The Ministry of the Word contains the nine messages given during the international training for elders and responsible ones held in Addis Ababa Ethiopia on October 4 through 6 2018 The subject of this series of messages is Propagating the Resurrected Ascended and All inclusive Christ as the Development of the Kingdom of God We are propagating a person the resurrected ascended and all inclusive Christ who is emphatically revealed in the book of Acts To propagate Christ is not merely to spread the truth concerning Him it is actually to reproduce Him just as a husband and wife propagate by bringing forth children who are the same as they are in life and nature Today we are the reproductions the increase of the resurrected Christ as the firstborn Son of God The propagation of Christ can be carried out only by His witnesses by those who have seen Him In the book of Acts the Lord charged His disciples to be His witnesses In the New Testament the meaning of witness is primarily to bear a living testimony of Jesus Christ in His crucifixion resurrection and ascension We need to live by the divine life in our human life so that we would be witnesses those who bear a living testimony of the resurrected and ascended Christ in our human life Through death Christ entered into another realm the realm of resurrection The reality of resurrection is the all inclusive life giving Spirit Thus the realm of resurrection is the realm of the Spirit which is also the divine and mystical realm We all have been begotten regenerated in Christ s resurrection and we all have been ushered into the same realm Moreover the church is in this realm the church exists in the realm of resurrection Christ s resurrection was the focus of the apostles testimony The Lord s ascension was His initiation into His living and ministry in the heavens this initiation brought Him into a new realm that is into the heavens where He now has His living and is ministering there Whereas resurrection is a matter of life Christ s ascension is a matter of position and position is a matter of authority The resurrected Christ is in the heavens executing God s administration The resurrected Christ ascended to the heavens to be exalted by God and to be given the kingship the lordship and the headship over all things The ascended Christ has also obtained the throne the glory and all the authority in the universe The ascended Christ is God s Anointed to carry out God s commission to work out the spreading of the gospel and the building up of the church The Christ revealed in Acts is the all inclusive Christ He is the Author of life God s Servant the Leader and Savior the Son of Man God the Lord of all the Judge and the object of the believers faith The resurrected ascended and all inclusive Christ whom we are propagating is the kingdom and we are propagating Him as the development of the kingdom The development of the kingdom of God that is the kingdom of the divine life is the spreading of Christ as life into His believers to form a realm in which God rules in His life The kingdom of God is the main subject of the apostles preaching in Acts this is indicated by the fact that the resurrected Christ in His appearing to the apostles through a period of forty days spoke to them concerning the

kingdom of God The kingdom of God is the Savior as the seed of life sown into His believers God s chosen people and developing into a realm over which God can rule as His kingdom in His divine life The entrance into the kingdom of God is regeneration and the development of the kingdom is the believers growth in the divine life The kingdom of God is the church life today in which the faithful believers live and it will develop into the coming kingdom as a reward to be inherited by the overcoming saints in the millennium Eventually the kingdom of God will consummate in the New Jerusalem as the eternal kingdom of God an eternal realm of the eternal blessing of God s eternal life which all of God s redeemed will enjoy in the new heaven and new earth for eternity What kind of Christ can be reproduced through us depends on what He is to us in reality If we know Him as resurrection and the power of resurrection and if we know Him in His heavenly ministry with His supreme authority realizing that He is the center of God s governmental administration in the universe we will announce and propagate this kind of Christ If we realize know experience and enjoy the all inclusive Christ spontaneously this Christ will be reproduced through us The Reports and Announcements section at the end of this issue contains a report entitled The Ministry of the Word Literature Exhibition Also included is a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe *The Ministry of the Word, Vol. 28, No. 03* Various Authors,2024-04-02 This issue of The Ministry of the Word contains the first eight of the sixteen messages given during the fall 2023 term of the full time training in Anaheim California The general subject of this series of messages is The Crucial Points of the Truth in Paul s Epistles First Corinthians **The Ministry of the Word, Vol. 29, No. 01** Various Authors,2025-02-07 This issue of The Ministry of the Word contains the six messages from the international Thanksgiving blending conference held in Atlanta Georgia on November 28 December 1 2024 The subject of this series of messages is Living a Christian Life and Church Life under the Government of God for the Economy of God *The Word of the Lord Grows* Martin H.
