Elizabeth Taylor Boze Hadleigh, 2017-10-20 This book of quotes explores the many sides of the one and only Elizabeth Taylor In her time she was perceived as a celebrity an actress a siren and a champion for causes She became a popular and prominent female figure in the twentieth century and her legacy continues to thrive today In this book she is described in the words of others from the stars of yesterday to the celebrities of today Illustrated with over 80 rare photographs this book will prove to be a fitting memento of a true film legend

Elizabeth Taylor Susan Smith, 2019-07-25 Elizabeth Taylor was one of the major film stars of the twentieth century embodying all the glamour and allure of Hollywood stardom Yet her achievements as an actress have often been overshadowed by her beauty and tumultuous life off screen To redress this imbalance Susan Smith offers an illuminating study of Elizabeth Taylor s work in film exploring her fascinating trajectory from child to adult star Smith reveals the influence that Taylor s early work exerted over her later career and the ways in which her on screen identity is profoundly rooted in her association with animals and nature Smith carefully unpicks what made Taylor such a distinctive and dynamic on screen performer from the expressive use she made of her eyes to the dramatic significance of her voice and considers the importance of certain professional collaborations that Taylor forged during her career most notably her acting partnership with Montgomery Clift

Elizabeth Taylor Cindy De La Hoz, 2012-10-02 She was called the most beautiful woman in the world but Elizabeth Taylor was far more than a pretty face she was one of the greatest actresses the movies have ever known From her first success in National Velvet when she was just 12 years old to her stunning performances in A Place in the Sun Cat on a Hot Tin Roof and Suddenly Last Summer to her Oscar winning role in Who s Afraid of Virginia Woolf and beyond

Elizabeth Taylor showed herself to be a force to be reckoned with Elizabeth Taylor Her Place in the Sun is a film retrospective that spans her 70 year career featuring production histories behind the scenes stories and reviews for each film Featuring hundreds of rare photos it s a dazzling tribute to Elizabeth Taylor the film star **Elizabeth Taylor** Ellis Cashmore,2016-02-25 The first volume to examine the iconic Elizabeth Taylor in this light Elizabeth Taylor A Private Life for Public Consumption paints Taylor as the seminal representation of celebrity A figure of enormous charisma and cultural sway she intrigued a global audience with her marriages and extra marital improprieties as well as her extravagant jewelry her never ending illnesses her dependency on alcohol and her perplexing friendship with Michael Jackson Despite her continued world renown however most people would be hard pressed to name even three of her films though she made over seventy Ellis Cashmore traces our modern hyperactive celebrity culture back to a single instant in Taylor s life the publicizing of her scandalous affair with Richard Burton by photographer Marcelo Geppetti in 1962 which announced the arrival of a new generation of predatory photojournalists and along with them a strange conflation between the public and private lives of celebrities Taylor s life and public reception Cashmore reveals epitomizes the modern phenomenon of celebrity

Elizabeth and Monty Charles Casillo,2021-05-25 Violet eyed siren Elizabeth Taylor and classically handsome Montgomery Clift were the most gorgeous screen couple of their time Over two decades of friendship they made separately and together some of the era s defining movies including Cat on a Hot Tin Roof The Misfits Suddenly Last Summer and Cleopatra Yet the relationship between these two figures one a dazzling larger than life star the other hugely talented yet fatally troubled has never truly been explored until now Monty Elizabeth likes me but she loves you Richard Burton When Elizabeth Taylor was cast opposite Montgomery Clift in A Place in the Sun he was already a movie idol with a natural sensitivity that set him apart At seventeen Elizabeth was known for her ravishing beauty rather than her talent Directors treated her like a glamorous prop But Monty took her seriously inspiring and encouraging her In her words That s when I began to act To Monty she was Bessie Mae a name he coined for her earthy private side The press clamored for a wedding convinced this was more than friendship The truth was even more complex Monty was drawn to women but sexually attracted to men a fact that if made public would destroy his career But he found acceptance and kinship with Elizabeth Her devotion was never clearer than after his devastating car crash near her Hollywood home when she crawled into the wreckage and saved him from choking Monty s accident shattered his face and left him in constant pain As he sank into alcoholism and addiction Elizabeth used her power to keep him working In turn through scandals and multiple marriages he was her constant Their relationship endured until his death in 1966 right before he was to star with her in Reflections in a Golden Eye His influence continued in her outspoken support for the gay community especially during the AIDS crisis Far more than the story of two icons this is a unique and extraordinary love story that shines new light on both stars revealing their triumphs demons and the loyalty that united them to the end Praise for Elizabeth and Monty Casillo weaves an

engrossing story about the intertwined lives of his subjects the parallel worlds of privilege that they came from the personal misfortunes that each suffered and the seemingly inextricable path that led to that fateful night The author approaches them both with sympathy and comes away with a melodrama as good as any that they ever starred in The New York Times In a riveting new book that brings Hollywood's golden age to life with colorful well researched details and interviews with stars who knew Taylor and Cliff Casillo explores the intense bond the two shared People Magazine A new dual biography details a relationship that became a Hollywood legend Town Country Their on screen magic translated outside of the spotlight and the duo enjoyed a long lasting friendship that's explored in the new book Elizabeth and Monty The Untold Story of Their Intimate Friendship by Charles Casillo Classic movie buffs get a glimpse into their unique bond Southern Living As Casillo reveals in Elizabeth And Monty The Untold Story Of Their Intimate Friendship they had an intense even romantic relationship which while never consummated would weigh heavily on Taylor's life propelling her into a string of misguided marriages Daily Mail UK So jammed packed with sex pill popping alcoholism affairs breakdowns suicide attempts and multiple brushes with death that most readers will want to read it in one greedy high caloric gulp Readers may come for the nonstop scandals but what will keep them reading is Casillo's deeply empathetic and nuanced portrait of two Hollywood stars who forged a loving and loyal friendship Shelf Awareness Has the feel of a novel A well researched work that will appeal to readers who like their celebrity biographies juicy Library Journal In this dual biography their intertwined lives and careers are recounted with new and vivid detail and their FriendshipGoals are considered from all angles by Casillo the author of Marilyn Monroe The Private Life of a Public Icon and Outlaw The Lives and Careers of John Rechy The book is incisive on the politics and personalities of bygone Hollywood an understanding Casillo credits to friends like the late screenwriter and film historian Gavin Lambert Inside Daisy Clover The Roman Spring of Mrs Stone Everything Zoomer **Charles Bronson** Michael R.
