Turning Toward The Mystery A Seekers Journey:

Turning Toward the Mystery Stephen Levine, 2003-02-04 In his most intimate book the world renowned spiritual teacher shares his inner journey of transformation and wisdom *Turning Toward the Mystery* Stephen Levine, 2002

Healing with Death Imagery Anees Ahmad Sheikh, Katharina Sheikh, 2018-10-26 Sages of various traditions and ages have reiterated that we must incorporate the inevitability of death into the fabric of life to experience life's breadth and beauty Imagery is an important tool in dealing with death and this book is devoted to exploring many facets of this fascinating issue It begins with an overview of ancient and modern approaches to the use of death imagery for therapeutic purposes including a discussion of its possible benefits Chapter 2 specifically exploring Stephen Levine's contributions in this area shows that only by opening up to the reality of death can one make living a conscious process of growth A number of excellent imagery based experiential exercises are discussed in detail Chapter 3 demonstrates the significance of confronting death through mental and artistic images it discusses six examples of death related religious and existential works of art Recently there has been an upsurge of interest in near death experiences and their salutary effects on attitudes beliefs and values Of particular interest here are increases in spirituality concern for others an appreciation of life and an enhanced sense of meaning and purpose in life Chapter 4 presents a detailed critical overview of this field of investigation with special emphasis on the transformatory after effects of near death experiences Of all the major religions in the world Buddhism is at the forefront of exploring the topic of death and dying and developing specific meditative exercises for confronting death Chapter 5 presents an in depth treatment of death imagery in Buddhist thought Exploring the use of hypnosis for death rehearsal Chapter 6 continues the theme that confrontation with death can lead to healthful consequences A variation of this technique hypnotic suicidal rehearsal is also discussed it seems to be effective for use with clients who are contemplating suicide Case examples clarify the details of the process Over the years several clinicians have proposed the use of imagery for reconstructing death related events and thereby facilitating the grieving process for individuals who are experiencing symptoms rooted in unfinished grieving Chapter 7 gives an exhaustive account of the use of imagery for unresolved grieving including a number of case histories Researchers have perhaps devoted more time and energy to the investigation of death anxiety than any other death related topic Chapter 8 reviews the literature on death anxiety and death imagery and demonstrates a core connection between the two phenomena The authors claim that death imagery has the potential not only to ameliorate death anxiety but also to lead to a more authentic existence In Chapter 9 the authors explain how death imagery can be used constructively in death education they present several practical suggestions and specific guided imagery exercises The volume closes with a presentation of a detailed death imagery experiential exercise aimed at encountering death to enhance our appreciation of life The reader will notice this thread running steadily throughout the book This comprehensive book devoted to the role of death imagery in health and growth perhaps the first of its kind will be

helpful in changing the rather sinister view of death prevalent in our culture to a deeper appreciation for its enhancing potential

Following Our Bliss Don Lattin, 2024-02-27 Renowned journalist Don Lattin longtime reporter for the San Francisco Examiner and more recently the San Francisco Chronicle interprets the American spiritual and religious landscape since the 60s with insight wit and telling reporting What David Brooks did for the American social and commercial landscape in the bestselling *Bobos In Paradise* he does for the spiritual landscape showing how the 60s have had a profound transformative impact in every area of spirituality This is the first comprehensive look at the spiritual legacy of the 60s and 70s as seen through the lives of those raised amid some of the era's wildest experimentation
