Turnstone Greatest Cape David Bramhall:

Turnstone David Bramhall, 2015-12-10 The first book in the Greatest Cape series *The Black Joke* was described as a cross between *Treasure Island*, *The Railway Children* and *Deliverance* by turns exciting, amusing, charming, alarming, winsome, violent and strange, a rollicking read for adults with a childish love of adventure and for children who aren't afraid of a few long words. This fourth volume, *Turnstone*, continues the history of the strange little town by the sea. Pert and Rosella may have grown up and become respectable while Fenestra is enjoying a rather sad retirement among the jungle cannibals, but June and Bertronella are carrying on the family tradition of being thoroughly annoying and interfering in things that don't concern them. Even their boldness and quirky charm can't keep them out of trouble and things get a lot worse before they get better. A LOT worse. Who is Etherial Faun and is her pet really a hamster? Are those charming girls at The Emporium really going to be made homeless? Can a small girl actually fly and who will catch her when it all goes wrong? What will it take to turn the awful Mrs Wheable into an Auntie? One can be proud of someone who makes the town an offer it can hardly refuse, but sinister forces are at work but mermaids really? *MERMAIDS*. Oh, come on.

Patience and the Pyrate David Bramhall, 2016-11-15 The first book in the Greatest Cape series *The Black Joke* was described as a cross between *Treasure Island*, *The Railway Children* and *Deliverance* by turns exciting, amusing, charming, alarming, winsome, violent and strange, a rollicking read for adults with a childish love of adventure and for children who aren't afraid of a few long words. Now the fifth and final volume of *The Greatest Cape*, *Patience and the Pyrate*, sees us back in the odd little town by the sea. The very decided Patience Potts and her friend Silmonella pursue pirates and fairies and get themselves into a very nasty situation while Patience's mother, Rosella, has problems of her own. At the school, one tiny teacher is touched by her pupils' attentions and another has a crisis of conscience. And on the railway, sinister events are in train, pun intended. There's a mysterious ship in the harbour. Oh, no, not another one. What does Slingsby Sourdew get up to in the lavs at playtime? A schoolboy plans the Great Train Robbery for his classroom project. Two little girls find themselves in very deep water. With some sheep and a couple of miles out of town, something very strange waits and watches.
