Tutankhamen Christine El Mahdy,2014-01-28 When Tutankhamen s tomb was discovered in 1922 even the most experienced archaeologists joined the international community in marveling at the incredible wealth and seemingly bizarre rituals of ancient Egypt What kind of society could produce such spectacular treasures only to bury them forever Lost in a frenzy of speculation anthropological scientific and commercial was Tutankhamen himself Thirty five hundred years ago the mightiest empire on Earth crowned a boy as its king then worshipped him as a god Nine years later he was dead Despite the young monarch s almost universal recognition in death Egyptologists know very little about his life Traditional histories founded on incomplete investigation and academic dogma shed almost no light on the details of a life as complicated and as fascinating as it was short In Tutankhamen The Life and Death of the Boy King Christine El Mahdy finally delivers a coherent portrait of King Tut s life and its historical significance Based on stunning tomb records lost since their discovery this revolutionary biography begins to answer one of the twentieth century s most compelling archaeological mysteries Who was Tutankhamen

Sulman,2016-04-12 Facts Fiction and the Bible The Truth behind the Stories in the Old Testament serves as a readers guide to conducting a thorough investigation of the stories contained in the books of the Bibles Old Testament Its historical exploration helps to distinguish the storiesverifiable facts from their narrative fictions The author Gijsbert J G Sulman builds upon a long history of Bible study and research to bolster his sifting of those facts from the Bibles fictions The serious student of the Bible will find a wealth of resources at hand in the pages of Facts Fiction and the Bible Twenty two chapters treat the Old Testaments major themes events and figures Plentiful illustrations an extensive bibliography and copious endnotes provide exhaustive visual and textual documentation to support the books presentation By taking stock of a wealth of research and integrating it with a careful reading of the biblical text Facts Fiction and the Bible The Truth behind the Stories in the Old Testament presents to the reader a careful and reasoned assessment of the truth lying behind and beneath the Old Testaments stories With this in depth survey in hand the reader will come to know and to appreciate the Bibles stories and to discern what really happened **The Search for Nefertiti** Joann Fletcher,2011-08-30 Her power was rivaled only by her beauty Her face has become one of the most recognizable images in the world She was an independent woman and thinker centuries before her time But who was Egypt s Queen Nefertiti After years of intense research Dr Joann Fletcher has answered the questions countless researchers before her could not While studying Egyptian royal wigs she read a brief mention of an unidentified and mummified body discovered long ago and believed to belong to an Egyptian of little importance This body happened to have a wig which Dr Fletcher knew was a clear sign of power After examining the hairpiece and the woman to which it belonged to the astonishment of her colleagues she identified this body as the missing remains of Queen Nefertiti The search for Nefertiti had ended She had been found But the questions were just beginning Nefertiti first rose to prominence in Egyptology in 1912 when a three thousand year old bust of the queen was unearthed and quickly became a recognizable artifact around the world But pieces of Nefertiti s life remained missing The world had seen what she looked like but few knew about her place in history Virtually nothing is recorded about Nefertiti s early years What is known about her life starts with her rise to power her breaking through the sex barrier to rule as a virtual co Pharaoh alongside her husband Akhenaten Upon his death she took full control of his kingdom The Egyptian people loved

her and celebrated her beauty in art but the priests did not feel the same way They believed Nefertiti s power over her husband was so great that she would instill her monotheistic beliefs upon him rendering their own power obsolete Egyptologists concur that it was these priests who upon Nefertiti s death had her name erased from public record and any likeness of her defaced This ultimately led to her being left out of history for three thousand years In *The Search for Nefertiti* Dr Fletcher an esteemed Egyptologist traces not only her thirteen year search for this woman whose beauty was as great as her power but also brings to the forefront the way Egypt s royal dead have been treated over time by people as varied as Agatha Christie and Adolf Hitler She also explores how modern technology and forensics are quickly changing the field of archaeology and in turn what we know about history
