McClelland, 2007 This page provides the complete DVD content that accompanies Adobe Photoshop CS3 One on One. Pioneering computer graphics author Deke McClelland updates his bestselling hands-on tutorial for Adobe Photoshop CS3, the latest version of this industry standard image editing and production program. As with previous editions, Photoshop CS3 One on One guides readers step by step through the program's features and functionality. A key appeal of the One on One series is the two hours of DVD video material included. Once you read about a particular technique, you can see how it's done first hand in the video. The combination is uniquely effective and hugely popular. Whether you're a first timer looking to learn Photoshop or a seasoned user interested in the groundbreaking features of CS3, Deke's conversational style and carefully structured lessons guide you through everything you need to know to get up and running and then take you well into mastery. You'll learn to grasp fundamental and advanced concepts and theory. Use best practices and techniques for making the most of Photoshop CS3. Build relevant real world projects. Use Photoshop's workflow and file handling features. Use the combined power of Bridge Camera Raw to process your digital photos. Choose the right technique for converting your images to black and white. Create beautiful multilayered documents including posters and flyers. And much more. A Photoshop expert, sought after computer graphics and design lecturer and author of over 70 books, Deke creates a classroom environment in Photoshop CS3 One on One with written instruction and video training except that you get one on one attention as you proceed from lesson to lesson at your own pace. It's like having private lessons with the author. Whether you're an enthusiast, prosumer, creative pro, technical pro or newcomer, Deke's book will have you speaking fluent Photoshop CS3 in no time.
