Old Testament Commentaries provide compact critical commentaries on the books of the Old Testament for the use of theological students and pastors. The commentaries are also useful for upper level college or university students and for those responsible for teaching in congregational settings. In addition to providing basic information and insights into the Old Testament writings, these commentaries exemplify the tasks and procedures of careful interpretation all to assist students of the Old Testament in coming to an informed and critical engagement with the biblical texts themselves. The six books found at the close of the Minor Prophets, Nahum, Habakkuk, Zephaniah, Haggai, Zechariah, and Malachi, present distinctive understandings of God, humanity, and the future. This commentary engages those understandings, considers what the books may have meant in the past, and describes how they resonate with contemporary readers. With attention to issues of gender, violence, and inclusivity, O'Brien explores the ethical challenges of the books and asks how faithful readers can both acknowledge the problems these biblical books raise and appreciate their value for contemporary theological reflection.

Old Testament Survey Paul R. House, Eric Mitchell, 2007-09-01. This second edition of the widely used and highly praised Old Testament Survey revises the original edition and greatly expands its attention to historical and geographical topics. These are combined with the first edition's focus on literature and narrative, and an increased amount of improved maps are also included. In all, the book charts every major element that unifies the Old Testament, making it an excellent companion for Bible reading. Any student desiring a thorough and time-tested overview of the Bible's first half will find it in this updated edition of Old Testament Survey.

Twelve Prophets: Micah, Nahum, Habakkuk, Zephaniah, Haggai, Zechariah, and Malachi Peter C. Craigie, 1984. This series of commentaries on the Old Testament, to which Professor Craigie's second volume on the Twelve Prophets belongs, has been planned as a companion series to the much acclaimed New Testament series of the late Professor William Barclay. As with that series, each volume is arranged in successive headed portions suitable for daily study.

Biblical Theology of prayer in the Old Testament Albert J. Coetsee, Francois P. Viljoen, 2023-08-31. Prayer is a major topic within Christian theology. The biblical text has various references to various recorded and reported prayers. In fact, references to prayer are found within the rich diversity of the various books, corpora, and genres of Scripture. As can be expected, much has been written about prayer in the biblical text. However, a comprehensive Biblical Theology dealing with the concept of prayer in Scripture has not been published before, and this book intends to fill this gap, assuming that such an approach can provide a valuable contribution to the theological discourse on prayer and related concepts. This book aims to investigate prayer and its related elements, including worship, praise, thanksgiving, adoration, petition, intercession, lament, and confession, in the Old Testament on a book-by-book or corpus-by-corpus basis. The investigation follows a Biblical Theological approach, reading the Old Testament on a book-by-book basis in its final form to uncover the Old Testament's overarching theology of prayer, understanding the parts in relation to the whole. By doing this, the discrete nuances of the prayers of the different Old Testament books and corpora can be uncovered, letting the books and corpora

speaking for themselves. In addition, the advantage of this approach is that it provides findings that can benefit the modern Christian community and contribute to the practice of Reformed theology in Africa. This book is of significant value to scholars. It will inspire scholars to think about prayer and use the Bible as the major prayer handbook in their spiritual lives.

Joel, Obadiah, Micah Daniel Epp-Tiessen, 2022-08-30. Although each is quite different, the books of Joel, Obadiah, and Micah are all survival literature. All three address the community that survived the crushing Babylonian destruction of Judah in 586 BCE. And all three seek to help this community cope by giving voice to its disorientation, trauma, anxiety, and rage. Each book insists that God will wrestle a positive future out of catastrophe, granting both physical and spiritual renewal. No matter how dire the circumstances, Israel can trust in the gracious God who will never abandon the faith community. In this thirty-fifth volume in the Believers Church Bible Commentary series, Old Testament scholar Daniel Epp-Tiessen explores the diverse yet related content of these three prophetic books, always paying attention to how they might speak words of grace and healing into the disorientation, exile, and challenges of our own time. He also confronts the theologically problematic features of these books, especially their conviction that the salvation of God's people requires that God obliterate their enemies. This volume explores how we might read Joel, Obadiah, and Micah in light of the larger biblical story of God's saving purposes that reach their fulfillment in Jesus Christ. Teacher Fall 2019 Stan Purdum, 2019-07-16. Summer Theme: God. Genesis, Exodus, Proverbs, Hebrews, Joshua, Psalms, John, Romans, Deuteronomy, Habakkuk, Acts. This fall, our lessons focus on God: what it means that we are created in God's image and what it means to worship God alone. The writer of the student book lessons is Clara Welch; the teacher book writer is Stan Purdum. **God the Creator**. This unit takes us through texts that help us discern what Godness is. The readings from Genesis present the Lord as the divine initiator of the cosmos and as the creator of humankind. The Exodus text reminds us that God is not limited to what we can know of or imagine about God, and that mystery remains part of God's nature. In Lesson 4, we learn about Wisdom as an essential part of who God is. And Lesson 5 invites us to consider Christ's role with God in the world's creation. These lessons encourage us to develop the spiritual practice of mindfulness. **In God's Image**. This unit focuses on the human condition. Lesson 6 recalls the story of the sin of Achan, reminding us of the chasm sin imposes between ourselves and our Creator. Lesson 7 takes us to Psalm 51, which is a prayer that models the nature of penitence that asks God to bridge the breach caused by sin. Lesson 8 lets us hear Jesus talking about being born anew and how that provides entry into the kingdom of God. Lesson 9 takes us to a text in Romans which enables us to consider what the redeemed life looks like. These lessons help us focus on the spiritual practice of confession. **Worship**. This unit unites around the theme: objects of worship with objects meaning not worship. Aids such as candles and paraments, but those things we place ahead of God. In Lesson 10, we look at the first two of the Ten Commandments. Lesson 11 takes us to the story of the gold calf and gives us a chance to think about why we may deliberately choose to worship that which is not God. Lesson 12 reminds us that nothing we worship

other than God can impart life And Lesson 13 invites us to understand that the worship impulse is only satisfied when it is directed toward God These lessons lead us deeper into the spiritual practice of worship Both supplementary and complementary to the Adult Bible Studies student book the teacher book provides small group leaders teachers and facilitators with additional biblical background and exposition and suggestions for guiding group discussion Now in response to feedback we are introducing new features and benefits for teachers and their students including A comprehensive Bible study plan with more flexibility in terms of Scripture selection and topics Additional information as well as suggestions designed to help leaders and facilitators lead with confidence Observation of the church seasons including Advent and Lent Suggestions for developing spiritual practices prayer confession worship mindfulness solitude community hospitality neighboring service and celebration One font size in the student edition to accommodate all readers No printed Scripture text allowing you to choose your own Bible translation Visit AdultBibleStudies.com and sign up for the FREE weekly newsletter to automatically receive the FREE Current Events Supplement and other information about these resources and more

Covenant Continuity and Fidelity Jonathan Gibson,2016-09-22 The core of Malachi s covenantal imagination is shaped by his reflection on an authoritative collection of source texts in the Hebrew Bible The mention of people nations and places Deuteronomic terminology and rare words and unique word root combinations exclusive to Malachi and only a few other texts encourages the book to be read in the context of received biblical traditions and texts The diversity of methodologies used previously to analyse Malachi has resulted in confusion about the significance of the inner biblical connections in the book of Malachi which Gibson clarifies His reading frees the text of Malachi from being overburdened by too many intertexts and allows its central message of covenant to arise with greater clarity and force Gibson reveals how Malachi s connections to earlier source texts are neither random nor causal rather they have been strategically employed to inform and shape his central theme of covenant continuity and fidelity

Petterson,2009-12-10 This book investigates the nature of the hope for the house of David in the final form of the book of Zechariah It focuses particularly on the following themes the roles of Joshua and Zerubbabel the nature and identity of the Shoot the coming King the Shepherd and the Pierced One It challenges the scholarly consensus going back to the thesis of Julius Wellhausen that the high priest took over the role and prerogatives of the pre exilic monarch in the early post exilic period Instead Zechariah merely envisages Joshua the high priest being reinstated to the temple duties that were undertaken before the exile Furthermore Zechariah does not identify Zerubbabel as the promised future Davidic king Shoot Rather Zechariah demonstrates a hope for the restoration of a Davidic king who will have a key role in temple building after the time of Zerubbabel The belief that Zechariah 9 11 and 12 14 are oracles that seek to reinterpret prophecies that have become problematic is also challenged There is no strong evidence that the hope for the house of David in Zechariah 9 14 contradicts the presentation of Zechariah 1 8 This thesis shows how these later chapters continue and develop many of the themes related to the Davidic hope in Zechariah 1 8 The picture of the Davidic hope that emerges from the book of Zechariah is consistent with the expectations of earlier prophets and confirms that the book when read as a whole provides a strong impetus for later messianism in the post exilic period **Before You Were Born, I Anointed You** Anna

Beresford,2022-09-12 Prophetic ministry in the Bible has long been perceived as the exclusive domain of individuals who were powerful authoritative argumentative and almost always male This impression cannot be sustained In a logical and engaging way Anna Beresford convincingly shows us that female characters throughout the biblical story are not merely peripheral actors but are often the ones who proclaim God s prophetic word with disturbing clarity Beginning with the few women acknowledged as prophets in the Hebrew scriptural tradition Beresford proceeds to uncover a surprising host of hidden female prophets Among this cast we meet the widow whose last penny is consumed by organized religion the gate crasher who teaches a pious Pharisee stern lessons in hospitality a woman who has the last word in a theological debate A woman used to trap Jesus proclaims truth to power and a feisty foreign lady cleverly proves that God s love is for all of us regardless of gender or ethnicity This book is a compelling reminder that God speaks to all people women and men and calls on us to share the message whether it is convenient or not 2 Tim 4 2 NET
