The Struggles of Caregiving Nell E. Noonan, 2012-02-01 Caregiving is a demanding task that takes a huge toll on the person providing care: mentally, emotionally, physically, and spiritually. Nell Noonan, speaking from her own experience as caregiver for her husband, describes caregiving as a cataclysmic spiritual experience. She says it's critical for caregivers to practice self-care so they can cope with their situation. Paying attention to one's spiritual health is especially important. The 28 Days format (4 weeks of brief daily readings that include scripture and prayer) provides an accessible way for caregivers, typically stressed and pressed for time, to devote a few minutes to their spiritual health. Noonan's honesty and faith are hallmarks of her writing. Speaking from her own experience and the experiences of others, she does not avoid difficult situations and the feelings that accompany them. Noonan witnesses to the strength she finds as she continually turns to God even in her darkest moments. Caregivers will appreciate these devotions that are both forthright and uplifting. This book makes a thoughtful gift for any caregiver or for staff members of a facility for older adults.

Dear Caregiver: Take a Moment and Walk with Me Karen

Seelenbinder, 2018-04-05 Once my viewpoint becomes their viewpoint, my personal perspective of the situation changes. The stories in *Dear Caregiver: Take a Moment and Walk with Me* are based on my personal experiences with Katherine, a woman in her seventies who lives with the physical and mental disabilities caused by Lewy Body Dementia. During a five-year time period as her caregiver, I recorded each treasured moment within twenty-four hours after each event occurred. Katherine's words and expressions remain fresh in my mind despite the passing of the years. As a new part-time caregiver for my mother, who was diagnosed with Alzheimer's nearly three years ago, *Take a Moment and Walk with Me* is a true blessing and inspiration. This book of devotions is an excellent guide for anyone who is taking this journey for the first time. These devotions have made my heart lighter as I start each day wondering what special moment God will bless me with my mother, instead of facing each day with a heavy heart.

Selena Freeland, *Memories* This book will touch your heart and soul. As a past and current caregiver, these memories bring back so many of my memories. Currently, I am taking care of my dad in his journey through Parkinson's and Dementia. This book has uplifted me to find a special memory every day of this journey. Knowing there is a Bible verse out there to highlight each memory is such a blessing. I encourage all caregivers to let this book lift you up before, during, or after your journey. Let these words and Bible verses give you peace, encouragement, and strength.

Janet Sisko, My mom has lived with us for 14 years, and her mind has been failing her for the past three. As I read Karen's devotionals, I first realized how every day is written so well that you feel like you are right there with them. Many situations are very similar to what I face with my mom. I am so amazed at how compassionate Karen is and how she has such

a sense of how Katherine thinks and feels She also gives caregivers practical ways to assist and care for our loved ones This devotional is very helpful and inspirational for any caregiver and the Bible verses give us a glimpse of God in any situation
