Twice Tempted Jeaniene Frost, 2013-03-26 Dating the Prince of Darkness has its challenges Leila's psychic abilities have been failing her and now she isn't sure what the future holds If that weren't enough her lover Vlad has been acting distant Though Leila is a mere mortal she's also a modern woman who refuses to accept the cold shoulder treatment forever especially from the darkly handsome vampire who still won't admit that he loves her Like choosing between eternal love and a loveless eternity Soon circumstances send Leila back to the carnival circuit where tragedy strikes And when she finds herself in the crosshairs of a killer who may be closer than she realizes Leila must decide who to trust the fiery vampire who arouses her passions like no other or the tortured knight who longs to be more than a friend With danger stalking her every step of the way all it takes is one wrong move to damn her for eternity *Twice tempted* William Manchee, 2003
