Cecily got in so telling a shot for the cook paid no attention to any one save himself and his own creature comforts In some men as they grow older the milk of human kindness dries up They have no sympathy Ralph came upon the scene and smoothed and soft soaped the crew and Two Dianas in Alaska, By Agnes Herbert and a Shikeri Agnes Herbert,1909

With Rifle & Petticoat Kenneth Czech,2002-08-30 The image that comes to mind when you think of big game hunters is of African safaris with men carrying enormous guns hunting exotic game But there were women on those trips as well and not just the trips to Africa and they were often as successful at the hunt as the men Women such as Lady Florence Dixie Agnes Herbert Osa Johnson Grace Gallatin Seton and Gladys Harriman hunted so well they made names for themselves and wrote of their adventures Divided into chapters detailing a specific time period region hunted or individual woman **With Rifle and Petticoat** explores the interesting women who hunted a variety of big game animals around the world The Academy and Literature ,1909

Gender, Companionship, and Travel Floris Meens,Tom Sintobin,2018-12-07 Over the last couple of decades there has been a strong academic interest in how individuals interact with each other while en route Yet even if various studies have informed us about present day realities of travel companionships we know little about the influence of gender both on these realities as well as on the discourse in which these are being narrated This book aims to establish an agenda for the study of companionship in travel writing by offering a collection of new essays which study texts that belong to the broad category of pre modern and modern travel literature Chapters explore the differences and similarities in the ways that women and men in the past chose to describe their experiences with and or their ideas about companionship and specifically reveals the influence of gender norms conventions restrictions and stereotypes This is the first book which looks at the long term interdisciplinary and genuinely international history of gendered discourses on companionship in travel writing It will be of interest to scholars and students from a wide variety of disciplines including cultural and social history as well as cultural literary gender travel and tourism studies The Athenaeum ,1909
