Dad's Best Memories and Recollections Charles J. Humber, 2016-01-20 DAD'S BEST MEMORIES AND
RECOLLECTIONS is Chaz Humber's epitaph casting a very long and sentimental shadow across North America and
beyond This 230 page volume is his granite monument well polished It lavishly records 125 of his best memories over a life
span of nearly eighty years The vignettes are serenaded with more than 400 illustrations Those discovering this volume likely
will find themselves wanting to record in their own sunset years their personal memories and recollections And when they do
they are apt to recall what it was like to live in their fluctuating world dominated by a variety of personalities and cascading
events Mr Humber vividly describes what it was like in 1945 to travel in a 1930 Model A Ford from Toronto to Boston With
lively enthusiasm he reports what it was like to live in post World War II Boston to cook a lobster for a former President of
the United States or to sell a pair of elevator shoes to one of Hollywood's shortest celebrities or to shine the shoes of a Derby
hatted father of a future President of the United States It is not a remarkable achievement to reflect to recall or to have
memories that are treasured But to tell them with literary aplomb to recall the events that happened nearly seventy five
years ago with utmost clarity is definitely an admirable achievement and should be cherished not only by the kin who follow
Mr Humber but by those who might like to imitate what he has monumentally achieved in Dad's Best Memories and
Recollections **Western Banker** ,1924
