Cinema Treasures Ross Melnick, Andreas Fuchs, 2004 More than 100 years after the first movie delighted audiences movie theaters remain the last great community centers and one of the few amusements any family can afford While countless books have been devoted to films and their stars none have attempted a truly definitive history of those magical venues that have transported moviegoers since the beginning of the last century In this stunningly illustrated

book film industry insiders Ross Melnick and Andreas Fuchs take readers from the nickelodeon to the megaplex and show how changes in moviemaking and political social and technological forces e g war depression the baby boom the VCR have influenced the way we see movies Archival photographs from archives like the Academy of Motion Picture Arts and Sciences and movie theater ephemera postcards period ads matchbooks and even a barf bag sourced from private collections complement Melnick s informative and engaging history Also included throughout the book are Fuchs profiles detailing 25 classic movie theaters that have been restored and renovated and which continue to operate today Each of these two page spreads is illustrated with marvelous modern photographs many taken by top architectural photographers The result is a fabulous look at one way in which Americans continue to come together as a nation A timeline throughout places the developments described in a broader historical context We ve had a number of beautiful books about the great movie palaces and even some individual volumes that pay tribute to surviving theaters around the country This is the first book I can recall that focuses on the survivors from coast to coast and puts them into historical context Sumptuously produced in an oversized format on heavy coated paper stock this beautiful book offers a lively history of movie theaters in America an impressive array of photos and memorabilia and a heartening survey of the landmarks in our midst from the majestic Fox Tucson Theatre in Tucson Arizona to the charming jewel box that is the Avon in Stamford Connecticut I don t know why but I never tire of gazing at black they evoke the era of moviemaking and moviegoing I care about the most and this book is packed with them Cinema Treasures is indeed a treasure and a perfect gift item for the holiday season Leonard MaltinHumble or grandiose stand alone or strung together movie theaters are places where dreams are born Once upon a time they were treated with the respect they deserve In their heyday historian Ross Melnick and exhibitor Andreas Fuchs write in Cinema Treasures openings of new motion picture pleasure palaces that would have dazzled Kubla Khan received enormous attention in newspapers around the country On top of the publicity they generated their debuts were treated like the gala openings of new operas or exhibits with critics weighing in on everything from the interior and exterior design to the orchestra Handsomely produced and extensively illustrated Cinema Treasures is detailed without being dull and thoroughly at home with this often neglected subject matter Its title would have you believe it is a celebration of the golden age of movie theaters But this book is something completely different an examination of the history of movie exhibition which the authors accurately call a vastly under researched topic Los Angeles Times *Billboard* ,1943 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends Motion Picture Herald ,1926 **Science** John Michels (Journalist),1915 Vols for 1911 13 contain the Proceedings of the Helminthological Society of Washington ISSN 0018 0120 1st 15th meeting Cinema Art ,1927 **Film Year Book** ,1938 Moody's Manual of Investments John Sherman Porter,1922 American
