Una Aventura Secreta Romantica:

La mujer romántica Graciela Batticuore, 2022-09-01 La primera investigación sobre el arduo y reído proceso en el que se transforma el lugar de la mujer de lectora a escritora en la Argentina del siglo XIX. Vida, obra, avatares y estrategias de las pioneras Mariquita Sánchez, Juana Manuela Gorriti, Juana Manso y Eduarda Mansilla. La mujer romántica da cuenta de las diversas formas que asumieron los procesos a través de los cuales las primeras mujeres que serían reconocidas como escritoras en la Argentina alcanzaron el estatuto de autoras. Esos procesos y las circunstancias en que acontecieron estuvieron determinados históricamente y socialmente por los conflictos políticos y los climas de ideas que atravesaron el siglo XIX argentino. En tiempos en que el género prefiguraba la habilitación a la lectura primero y a partir de ella a estadios como los de la escritura, la sociabilidad literaria y finalmente la publicación algunas de las prácticas con las que las mujeres se abrieron camino fueron el anonimato, la seudonimia, la difusión restringida, los padrinazgos masculinos o las venias internacionales. La emergencia en el campo de la cultura de pioneras como Mariquita Sánchez, Juana Manuela Gorriti, Juana Manso y Eduarda Mansilla cuestiona lo dominante y dialoga necesariamente con las voces letradas reconocidas y legitimadas: Sarmiento, Alberdi, Gutiérrez de Quesada. Así aparecieron en tensión axiomas o mandatos como los del amor, la maternidad y la familia por un lado y vocaciones a veces embrionarias e intuitivas, otras conscientes y dispuestas a la disputa relacionadas con ideas como las de emancipación, trabajo y producción intelectual por el otro. Historiográficamente riguroso, teóricamente reflexivo, analíticamente situado, críticamente agudo y en términos ensayísticos tan audaz como revelador y contemporáneo, este libro presenta la doble característica de ser indispensable para la comprensión del pasado y herramienta potente para la intervención en los debates más urgentes del presente.

El Marqués de Bradomín: Coloquios Románticos Ramón del Valle-Inclán, 2019-11-11 El Marqués de Bradomín. *Coloquios Románticos* es una obra fundamental de Ramón del Valle-Inclán que encapsula el espíritu de la modernidad y el desencanto de la España de principios del siglo XX. A través de una serie de diálogos cargados de ironía y melancolía, el autor presenta al Marqués de Bradomín como un personaje enigmático que refleja la crisis de valores de su tiempo. El estilo literario es denso y poético, caracterizado por un uso magistral del simbolismo y una prosa rica en matices que evoca las inquietudes románticas y existencialistas de la época. La obra se sitúa en un contexto literario donde el modernismo y el simbolismo se entrelazan, ofreciendo al lector no solo una narración sino una profunda reflexión sobre la vida y la muerte. Ramón del Valle-Inclán, dramaturgo y novelista gallego, es considerado una figura central en la literatura española del siglo XX. Su vida estuvo marcada por un constante enfrentamiento con las convenciones de la sociedad y una búsqueda de la identidad cultural que se traduce en su escritura. Valle-Inclán, contemporáneo de las vanguardias, encontró en el Marqués de Bradomín una voz que resonaba con sus propias inquietudes existenciales y estéticas, fusionando lo trágico y lo cómico para explorar el alma humana. Recomendando encarecidamente *El Marqués de Bradomín. Coloquios Románticos* a aquellos que buscan una narrativa rica y compleja que desafíe las convenciones literarias y filosóficas.

Esta obra no solo es un testimonio de la maestría de Valle Inclán sino también un espejo que refleja los anhelos de una época en crisis Su lectura es una invitación a adentrarse en las profundidades de la condición humana y a cuestionar las verdades aceptadas *Resonancias románticas* Graciela Batticuore, Klaus Gallo, Jorge Myers, 2005 **Una rosa en invierno**

Kathleen Woodiwiss, 2021-11-23 Hay libros que como el amor verdadero duran para siempre Un clásico imprescindible de una autora emblemática del género romántico histórico De todos los hombres que la cortejan Erienne Fleming solo se siente atraída por Christopher Seton un apuesto y burlón caballero estadounidense Sin embargo la fuerzan a casarse con lord Saxton un hombre con un pasado trágico que esconde las heridas de su corazón tras una máscara Poco a poco Erienne aprende a conocer la generosa naturaleza del extraño al que llama marido pero no puede evitar caer en la red de intrigas y pasión de Christopher Y así ante ella se abre una elección devastadora someterse al deber y el honor o dejarse llevar por los dictados del corazón

Magnífica miseria José Luis Molinuevo, 2009 El autor aborda el fenómeno de los romanticismos acentuando los contrastes que constituyen su magnífica miseria no se trata solo de una revisión del pasado sino que siguiendo el hilo del romanticismo negro encuentra claves del presente llegando al tecnorromanticismo actual que pone de manifiesto la actualidad del romanticismo especialmente en la metodología del sampler utilizada que funde los géneros del arte la literatura la filosofía y el cine a través de los tiempos En la trayectoria de las enloquecidas imágenes de Turner el romántico sigue siendo hoy una inquietud que avanza en espiral Gutzkow de la que Molinuevo quiere hacerse eco a pesar de que todo pecho que siente es un enigma Kleist Romántica aventura Rafael Pérez y Pérez, 1969 **El invernadero** Fernando Luis Chivite, 2017-03-15 El invernadero es la historia de una búsqueda y un hallazgo Un escritor en crisis viaja a Berlín tras las huellas de un científico al que conoció en su juventud y encuentra a una misteriosa joven uruguaya que huye de unos extraños fantasmas familiares El tema de fondo de la novela es el individuo en constante movimiento y la necesidad de coger aire en lo ajeno La narración se ramifica a medida que cada personaje nos lleva a otro Podríamos decir que se trata de una novela de personajes secundarios cuyas trayectorias vitales se entrecruzan durante un instante y luego se pierden Una obra sobre el transitar en el mundo de hoy atravesada por un cierto existencialismo contemporáneo y escrita en el tono inmediato y urgente de la primera persona con una prosa transparente de frases cortas y lectura rápida
