Impossible Indiscernible Too mystical Beyond us These are just some of the discouraging comments typically made about the Book of Revelation. Yet every believer, pastor and scholar needs to understand this vital book that consummates the Bible and all its prophecies. And everyone can, given the right interpretation. This commentary provides it. In lay friendly terms and with informational entries, thought provoking footnotes and inspirational additional gleanings, it walks the reader through each chapter and verse of John's apocalypse, explaining its context, language and principles for Christian living. Anyone who reads it with an open mind will come away with a clear, life-changing understanding of John's awesome vision of Jesus' timely messages to this Church Age and the wondrous Kingdom Age and Eternal World yet to come. And with delight, they will realize Revelation is Possible, Discernible. Not too mystical. Not beyond our grasp. **Spirit Love** R. Crafton

Gibbs, 2013-01-14 God's Book of Life is his Logos Word describing the Living God as the Christ Spirit of Jesus in all Christians. As God wills it, it is able to serve as the book of life mentioned in the Holy Christian Bible. Furthermore, any volume offers the Way to the Truth of Life with God by belief in Jesus as the Christ Savior from this world and to Life with God in his Kingdom of Heaven. I wrote the ten-volume Logos work by the guiding inspiration of Christ, the Holy Spirit of Jesus, and present it as the experience of Christ in my life. **Billboard**, 2008-05-31 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital events, brand content and data licensing platform.
