The Word for Sorrow Josephine Balmer, 2009 Working on Ovid's extraordinary but often much neglected exile poetry with an old second hand Latin dictionary one stormy spring morning Josephine Balmer noticed a school boy's faded name inked on its fly leaf and a date January 1st 1900 The Word for Sorrow explores the story of this dictionary and its owner who as a subsequent Google search uncovered later fought with the British yeomanry in the ill fated Gallipoli campaign of World War I near Ovid's own Black Sea exile Alongside versions and interpretations of Ovid's Tristia the text the dictionary translates soldiers original diaries and letters from Gallipoli provide another rich vein of source material for the original poems of the volume which also follows Balmer's own journey as she excavates these entwined narratives underscoring how the emotional charge of the past still resonates down through the centuries Like Chasing Catullus Balmer's acclaimed first collection The Word for Sorrow explores an interplay between translation and original text and translator past and present giving new resonance to ancient grief An engaging detective story in verse the work traces the invisible lines that connect us to often surprising points in history finding common ground in unexpected places forging often unexpected links between past and present From Ovid's Rome to the blood soaked trenches of Gallipoli its powerful and engaging poems give voice to the universal suffering of exile war and grief celebrating the enduring common humanity that binds us across countries and over centuries whether we live at the beginning of the first the twentieth or the twenty first century

Letters From the Dardanelles Dardanelles Dardanelles,2015-07-10 Excerpt from Uncensored Letters From the
Dardanelles Written to His English Wife by a French Medical Officer of Le Corps Expeditionnaire D orient Dardanelles a
word evocative of sacrifice duty glory Salonika a stage in the new epic of the Great War on that historic road to
Constantinople familiar to the Franks of old Two words that stand out radiantly in the Eastern light under the star strewn
heavens before the azure screen on which we see Samothrace its dim outline melting into the sonorous seas its snow capped
peaks bathed in the brilliant sunshine Samothrace pedestal and fatherland of that Winged Victory which haunts our dreams
Those who shared in the sacrifice and the glory will find it fascinating to recall memories of these in the company of Dr
Vassal who was at once an actor in and a witness of the great deeds he records To these survivors the charm of the narrative
will be enhanced by the greatness of the adventure which needs but the consecration of time to rival in sublimity even that
Iliad the scene of which was laid on the same soil On the morrow of the deadly landings at Koum Kaleh on the Asiatic coast
and afterwards at Sedd el Bahr which had been assigned to the French by the British command pluck and determination
compensated for our losses and outweighed our insufficient numbers For fifteen days and fifteen nights an uninterrupted
struggle meaning life or death victory or defeat was carried on along the narrow front of the Gallipoli Peninsula The Turkish
forces were perpetually reinforced by perfectly fresh troops kept in reserve close at hand Ours a thousand leagues from
home wore themselves out without hope of reinforcement About the Publisher Forgotten Books publishes hundreds of
