A Journey of Unconditional Love Michele Bell, 2018-03-23 Nicky Bell diagnosed with Ewing's Sarcoma at age thirteen died five years later with his mother and best friend at his side A Journey of Unconditional Love tells Nicky and Michele's story describing the battle with cancer in great detail However this book is about more than cancer and its treatment and the fight to survive It's about more than a mother and her son who had to face his mortality at such a young age and the despair and anguish that comes in losing that fight It's about more than death This book is about life It's about how this mother and son approached the everyday moments of life despite the greater story that was playing out around them and was outside of their control It's about what each had learned from the other and the influential roles played in their life experiences It is about how it still affects the life of the one left behind It's about the depth of human spirit and the soul's ultimate survival along with what the survivor is supposed to do with that energy The connection between this mother and her son has lived on long after his passing and it continues to be a force in this mother's life every day The inspiration in this story comes from the millions of small everyday moments the choices made the words spoken and the unconditional love that makes such a seemingly senseless experience somehow bearable This book gives a voice to parents and loved ones caregivers and patients those who relate to this loss and those who know they feel every heartbeat in this story but who also struggle to come to grips with their own experience

The Power of Unconditional Love Charles Preston Fletcher, 2015-02-26 This book is filled with brief Notes to Self on various aspects of the good to be found in The Power of Unconditional Love as it applies to having the power to improve all of our lives I hope the notes I share in this book may help us to take a second look at the world we share with a more forgiving view starting with a change in each of our own attitudes The topic of Unconditional Love must include three things in my estimation Equal parts of Gratitude Hope and Inspiration as to why and how that unconditional love is given There is more to life than our personal struggles and a big part of that is in our helping to try and alleviate the pain from and struggles of others This cannot be done with a cancerous infestation comprised of and based on hatred but only through the use of a gentle and non judgmental Unconditional Love that is freely given Unconditional love is a love that heals This book is Volume 3 in a varied Series of grateful and inspirational writings by this author
