

Expressing Unconditional Love In – One-Liners –

My life actually began the day I met you.

Now that I have you, my soul feels complete.

My love for you is a voyage beginning forever and ending never.

Having you by my side feels like all things love.

I love you and am here, no matter what.

You taught me the actual meaning of unconditional love.

A Gift of Love Charles F. Stanley, 2008-07-13 Love has always been the need Jesus has always been the answer The world is hurting for love writes pastor and Bible teacher Charles Stanley Because God is infinite and full of compassion He heard our cries and responded in the form of a perfect gift Jesus Consider this simple truth all the wonderful attributes of God would be meaningless unless God was also a giver He loves the world and the evidence of that love is that he gave His Son From this simple but profound premise Dr Stanley unfolds the riches of the giver and the glories of the gift Stanley explores the many dimensions of God's generous nature first in His character then in the revelation of Himself through His Son and finally in the impact of His magnificent gift Written in a warm daily devotional format A Gift of Love will cause the height and depth of God's love to shine in your heart

Mind and Spirit Christopher Alan Anderson, 2012-09-13 The purpose of Mind and Spirit is to sex divide into the male and female component parts that which we call mind and that which we call spirit We most often use these terms in a non sexual or an androgynous way as if mind and spirit are sexually neutral I would suggest that that is not the case that in fact mind and spirit are highly sexual they being either male or female in nature The man and woman spiritual center is that center point of touch spirit between a man and a woman It comprises the creative process of male and female individualization and unification It is the living embodiment of a man and woman in their rhythmic balanced interchange Mind and Spirit Author Bio Christopher Alan Anderson 1950 received the basis of his education from the University of Science and Philosophy Swannanoa Waynesboro Virginia He resides in the transcendental romantic tradition that vein of spiritual creativity of the philosopher and poet His quest has been to define and express an eternal romantic reality from which a man and a woman could together stand in their difference and create a living universe of procreative love Mr Anderson began these writings in 1971 The first writings were published in 1985 On a personal note when Mr Anderson was asked to describe the writings and what he felt their message was he responded Spiritual procreation Mankind has yet to distinguish the two sexes on the spiritual level In this failure lies the root of our problems and why we cannot yet touch the eternal together The message of man and woman balance brings each of us together in love with our eternal other half right now keywords Mind Spirit Sexual Essence Creative Process Consciousness

One Man's Opinion Neighl Groh, 2008-08 The three most pervading questions asked by a majority of rational people are

How did I get here Why am I here What is my destiny The author in his quest for answers to these questions has been induced to offer his discoveries in the writing of this book It is my most sincere wish that perhaps many seeking souls might gain some insight into their search for answers to these all encompassing questions found in their lives especially during these times of much uncertainty that our world seems to have gone mad The author is persuaded that he has found answers for profound questions and solace in his daily search of the Holy Scriptures in addition to the opinions found in the writing of scholars theologians philosophers and scientists Neighl L Groh During the first forty years of my life I lived as a nominal Christian despite the fact that I was impressively taught the importance of Christian living by my parents starting at a very early age My mother commenced teaching my five sisters my brother and me very early in our lives that we must follow love and receive the Lord Jesus and accept Him as our personal Savior In the early 1960 s I met a group of Christ loving men that changed my attitude and I developed an unquenchable thirst for a much broader knowledge of God s plan and purpose for my life Starting at the age of forty and continuing until my present age of eighty five years I have made it a practice to read the Old Testament once and the New Testament twice each year
