Finding the Hero in Your Husband, Revisited Juli Slattery, 2021-10-19 Women know how to work hard at marriage. Often their efforts end up sabotaging rather than building intimacy. Do you want to understand why? In this rewrite of her bestseller *Finding the Hero in Your Husband*, acclaimed Christian clinical psychologist and speaker Dr. Juli Slattery gently guides women through topics that are inherently woven into every imperfect marriage. *Finding the Hero in Your Husband Revisited* challenges misconceptions and outright misinformation that have misguided women for decades. In truth, women have power in marriage, but they don't often know how to use it. Illustrated with insightful real-life case examples, this book is both an educational resource as well as a practical how-to guide for navigating everyday trials as well as deeper difficulties. Juli offers understandable explanations of God's design, healthy expectations that reframe experiences, and relatable applications that women of faith can practice to influence their marriage and deepen their relationship with God. *Finding the Hero in Your Husband Revisited* will help you more clearly see and encourage the hero within your husband by examining your own heart.
